

VICTORY AQUATICS Drop Off & Pick Up Policy

DROP OFF & PICK UP POLICY

Swimmers should be on deck at least 10 minutes prior to their training time. This gives them time to get their gear together and be ready to enter the water. Swimmers arriving late not only miss valuable training time but become a disruption to the entire team.

We love our swimmers and want them to be safe. If dropping them off always maintain a line of sight view of the swimmer until they are safely inside the pool enclosure.

Swimmers **MUST** be picked up within 10 minutes after practice. Coaches are not baby sitters. **A \$20 fee will be assessed for each 15 minutes** the coach(es) and/or another adult are required to wait for a swimmer to be picked up. When picking them up make sure there is a line of sight view of the swimmer. Swimmers are not allowed outside the pool enclosure without adult supervision under any circumstances.
