Mr. Justin Taylor (JAM) suggested to look for possibilities of water polo development in countries which participate in CCCAN swimming events and not yet have started water polo. He also suggested to host all aquatic disciplines in one country to give water polo more exposure to the other aquatic disciplines. The TWPC agrees with that however we have to realize that not many countries have enough adequate facilities to do so.

The TWPC / Delegates Meeting was closed at 11:00 hrs.
