Pleasant Prairie Report

LSCs in attendance:

Illinois 253 athletes 804 entries

Lake Erie 91 athletes 333 entries

Oklahoma 42 athletes 189 entries

Indiana 188 athletes 621 entries

Michigan 127 athletes 512 entries

Wisconsin 133 athletes 412 entries

Total athletes 834 2871 entries and 210 relays

Facility: 10 lane competition pool. Good water depth, excellent scoreboard, graphics, Colorado Timing System, High quality sound system. Announcer receives high marks for outstanding work. Club coach who was very professional, energetic, very knowledgeable with swim meet process, worked well with admin. staff on time lines for prelims and finals session especially awards process for both 10& under and older kids sessions.

Host: Excellent meet operational capability allows for experienced computer operations, timing system operators, hospitality very proficient use of email and web based communication, meet reports, meet publications available in hardcopy or online promptly every session. High marks for use of web based host site to communicate and direct attendees. Full length venue seating, ample deck space, seating for athletes, adequate lighting could be improved a bit. Venue air quality excellent, water quality and clarity high marks, good water temp. warm up warm down venue area due to facility patrons using the rec center during the meet put some stress on the venue, excellent hospitality area, meeting room for officials briefing and planning, awards stand and presentation good, parade staging area very good, on site publication copiers & office equipment very good, medals very good design and art work, plentiful parking areas for cars and buses, great location park siting/lake area one of the nicest in the zone , lodging Kenosha and Pleasant Prairie large number of restaurants close, excellent interstate access.

Sessions: Ran smooth, on time line each session. Prelim sessions length 3 hours very well accepted, 10-under session ran on time each session, pace of competition and awards measured and consistent, ample awards presentation time with photo opportunities. 1-8 medals, 9-16 ribbons, relays 1-3. 1-8 medals presented on podium. Adjusted awards session from presentation by age group to presentation by stroke. This change allowed more predictable timeline management. Excellent team work between admin staff and meet operations to coordinate the awards process so that it was a good experience for athletes and spectators. Finals time line very good by Day 2.

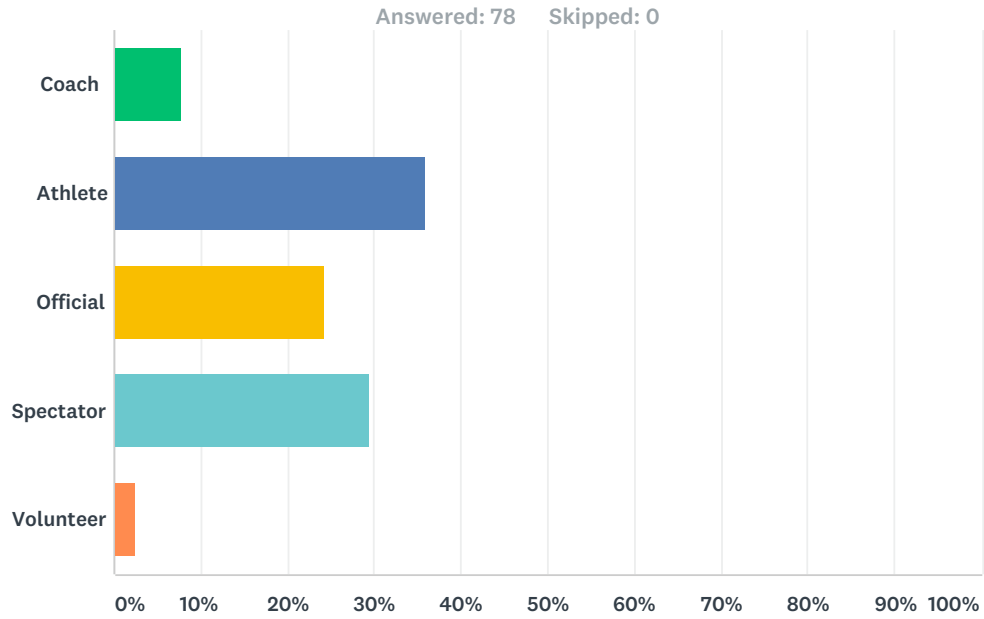

There were 44 working officials in attendance. The national evaluator was Eric Peterson-IL. LSCs represented were: IL., IN., OK., WI., SD., IA., and MW.17 evaluations were completed.

Facility design allowed for separation of athlete entrance to locker rooms and competition pool and spectators. Public restrooms separated from athlete locker/changing areas. Very good control of access to the competition area. Might consider athlete drinking water stations added to the deck area.

Host had post meet results reports distributed to the attending LSC contacts immediately after the awards presentations. Attendance at the meet of a medal engraver was a benefit/plus not common to these events. Typical action photography, apparel and swim shop vendors on site. No online admission /publication ticket purchases or online event apparel.

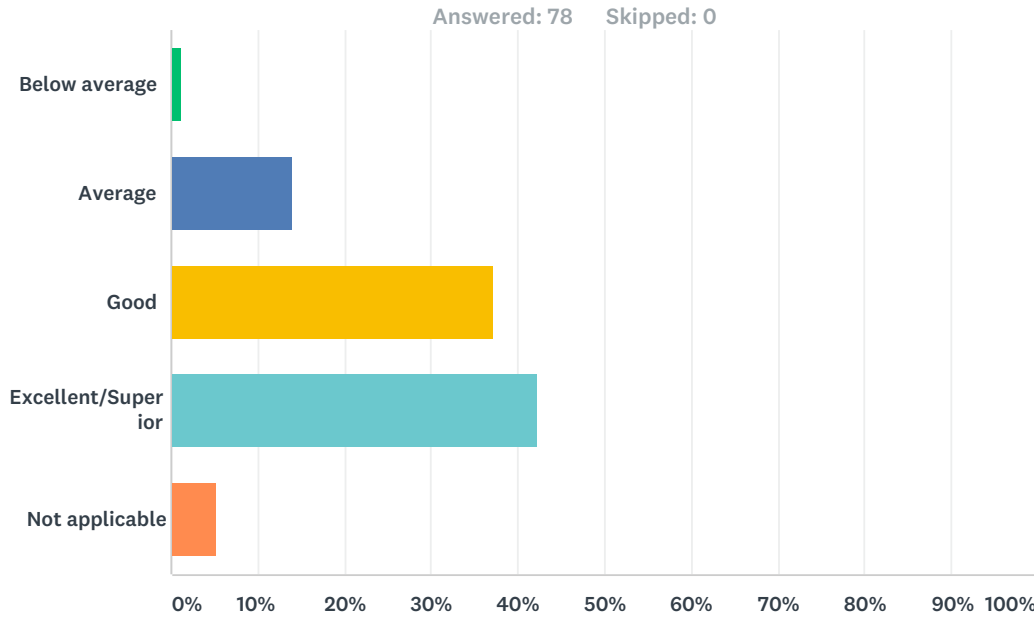

Respectfully submitted,
CZ Championship Meet Coordinator
Paul M. Thompson

1	Level of competition	8/8/2017 8:13 PM
2	Improved air quality - as a coach at back to back meet weekends this summer, this was the healthiest I've been leaving a 3 or 4 day meet at this facility ever. Thank you! I liked the four day format.	8/7/2017 10:22 PM
3	this meet was a manageable size and sessions were a good length. bag tags for spectator much better than wristbands, good option.	8/7/2017 9:05 PM
4	I really liked how the teams (and officials) embraced the patriotic and beach days. I think everybody from the officials to coaches to swimmers had a lot of fun. The announcer was fabulous! He did a great job getting the crowd going and stir excitement in the building.	8/7/2017 7:59 AM
5	Ambiance of the facility. Parents cheering down around made it electric	8/6/2017 8:45 PM

41	I enjoyed the atmosphere that the meet brought and the clarity of the starter. I enjoyed that a second scoreboard was present to the side of the pool that wasn't able to see the main scoreboard.	8/4/2017 7:40 PM

Q25 What would you change about this meet?

Answered: 54 Skipped: 24

#	Responses	Date
1	Spectator seating was terrible. Bleachers were tiny and people had seats saved everywhere. Air was burning multiple people's eyes including my own. The pool was very dark. Lane lines were not tightened and you could see them moving all over especially in warm ups. Warm up lanes should have been assigned based on size of team rather than just times and teams told to figure it out amongst themselves.	8/8/2017 8:13 PM
2	location - Recplex community center doesn't compare to UW-MN or Indianapolis - let down for kids no concessions available upstairs for spectators only 2 stalls in a bathrooms + smelled horrible all the time	8/8/2017 7:12 AM
3	It ran well! Thanks for making changes to the pacing of awards on the fly and re-arranging it for day 2.	8/7/2017 10:22 PM
4	warm up pool not adequate. Swimmers were not able to warm up for backstroke due to no flags. Classes being held in warm up pool. Not ok for a meet of this caliber. Seating was very tight (between rows) not that you can do anything about that.	8/7/2017 9:05 PM
5	It was so dark in there. I am not sure who the people are that decided on how many fixtures to put in the pool area, but there needs to be many more lights. The bleachers are made for very short people. there was no leg room at all.	8/7/2017 9:00 AM
6	I liked how we changed the awards to every 4 events rather than after each age group. I wish the we could get the officials to sign up early.	8/7/2017 7:59 AM
7	Move up Sunday finals - 30 minutes. Give out a true spirit award for the Team that earned it!	8/6/2017 8:45 PM
8	announcer	8/6/2017 8:03 PM
9	The pool - the seating / viewing upstairs is absurd. How can you build such a beautiful facility and screw up the seating so bad?? Has any normal size person who was involved in the design ever actually sat down upstairs for a few hours? And the lighting is pathetic. My swimmer described the pool as dark and murky. The water park has better lighting and ventilation than the competition pool. The warm down space was ridiculous. Why was there a parent / baby class in half of the warm down pool on Saturday morning!? If you're hosting a large meet like this - with multiple stages - more than two SCY lanes are needed for kids warming up / down. I was her in 2010 and 2012. This facility has really gone downhill since then. Thank goodness my kids are now done with this meet.	8/6/2017 4:55 PM
10	Timeline for awards was too long. Glare from windows and lighting affected ability to see swimmers. Lane lines shifted significantly during races.	8/6/2017 3:28 PM
11	Lighting of the pool, water tasted bad, and water too hot	8/6/2017 2:34 PM
12	Probably nothing.	8/6/2017 12:04 PM
13	I would not charge \$10 extra for the gold admission when all the heat sheets are online for free (or at least let people know this before they buy the pass). The announcer was inaccurate with swimmer names and other various information. The heat sheets had inaccurate NAG record times. I would have had the vendor that was upstairs in bleacher area downstairs with other vendors as it was super crowded some sessions and they took up space.	8/6/2017 11:27 AM
14	Nothing	8/6/2017 11:22 AM
15	The light of the pool needs to be brighter.	8/6/2017 10:29 AM
16	The ability to spend time with are child was very limited. Frustrating when you spend so much to come see your child and can't.	8/6/2017 9:46 AM
17	Seating and deck space	8/6/2017 9:10 AM
18	Nothing	8/6/2017 9:09 AM
19	More seating	8/6/2017 9:04 AM
20	The pool. The air quality. More warm up/down lanes.	8/6/2017 8:48 AM

Copy of Central Zone 14 & under Championship-Pleasant Prairie

21	The water and top 10 medals	8/6/2017 8:45 AM
22	the air quality of the warm up/cool down pool	8/6/2017 8:43 AM
23	Running relays in morning	8/6/2017 8:41 AM
24	Air quality in warm down area. Some in main pool, but warm down was not good	8/6/2017 8:38 AM
25	The parking.	8/6/2017 8:37 AM
26	Allow officials to park closer to pool. Tighten the lane lines. There was way too much slack.	8/6/2017 8:28 AM
27	Install acoustic absorbtion to reduce echo and ambiant noise levels inside competition area.	8/6/2017 8:27 AM
28	Better air quality and more space on deck	8/6/2017 8:25 AM
29	I would add more seating	8/6/2017 8:24 AM
30	Nothing	8/6/2017 8:24 AM
31	The water and air quality	8/6/2017 8:23 AM
32	A larger spectator area would have been nice- it got quite crowded at times.	8/6/2017 8:21 AM
33	Hospitality change up breakfast. Awards need to be done after a complete event not by age group	8/6/2017 8:21 AM
34	THE POOL!!!	8/6/2017 8:20 AM
35	Everything	8/6/2017 8:17 AM
36	The pool tasted like latex and was dark and oddly shaped depth-wise.	8/6/2017 8:17 AM
37	Faster pool	8/6/2017 8:17 AM
38	Make distance first	8/6/2017 8:15 AM
39	The meet itself was great. The problem was the facility itself. There were dungeons that had better lighting then this pool. The blocks were horrible and working at the end of the pool, swimmers struggled to get the block setup before race. I wish there were closer hotel options as we had 15 miles to drive.	8/6/2017 8:14 AM
40	More lighting above pool. More leg room upstairs. T-shirt and medal vendors located too far away.	8/6/2017 8:12 AM
41	Not do three straight championships meets St same pool -- air quality deteriorated, especially in warm up pool Parking was insufficient and far away	8/6/2017 8:08 AM
42	quicker turn around on awards, online purchase of admission	8/5/2017 8:23 PM
43	Warm ups need to be assigned by lane. Lanes quickly over crowded.	8/5/2017 7:29 PM
44	I thought it went well. Wasn't thinking anything should be changed. Awards were changed after 1st day and that took care of it	8/5/2017 6:53 PM
45	The pool	8/5/2017 5:12 PM
46	Assigned warm up.	8/5/2017 4:58 PM
47	Lighting in pool and curtains on western windows for fairness to athletes and officials	8/5/2017 4:46 PM
48	Tighten up a few things in terms of the planning -- this is probably a function of the many late sign ups.	8/5/2017 4:43 PM

Copy of Central Zone 14 & under Championship-Pleasant Prairie

49	<p>Too hot. Seating was way too tight you can't sit and not put your knees in the back of the person in front of you. Don't allow those stadium chairs they take up too much space. Way too dark. Pool was murky/cloudy. For finals, run all 4 events of the stroke and then do awards. Too much time was wasted waiting for the final boys heat to get to awards. Finals was about 40 min longer than it should have been. People are out of town and need to get a meal at a decent time and we all have to be back again in the morning. Also meet start could have been 9:00 and still met timeline. An hour and 40 minutes for warm ups was excessive. Also meet could/should have been done in 3 days and not 4. If your hosting a championship level meet you should NEVER have to be on the PA before a meet asking for timers. Completely unacceptable. Along those lines, I realize this is also a rec facility, but to only have 2 warm up lanes in the warm up pool because swim lessons are going on is ridiculous. All of that type of programming could have had a pause for a weekend. Lastly, again, if you want to host competitive meets at this pool, put in real lighting</p>	8/5/2017 4:32 PM
50	N/A	8/5/2017 2:33 PM
51	Thursday finals awards format wasn't very good. Friday was better	8/5/2017 8:52 AM
52	I thought that the officials could have been more courteous to swimmers and coaches because they were often rude when asking us and coaches to move for them to move.	8/4/2017 7:40 PM
53	The pool was the most poorly lit pool I have ever seen. It was way to dark to hold this level of competition at. You need to not allow stadium chairs as there is not enough room between rows to accommodate those. They take up all of the leg room of the person behind them.	8/3/2017 3:59 PM
54	The lighting was absolutely poor. The middle 15m of the pool can barely be seen from anywhere other than straight on. My swimmer also said water was very cloudy which may have been in part due to the inadequate lighting. It was also very warm in the spectator seating area.	8/3/2017 3:47 PM

Q27 Comments regarding 11 & over finals session: events, pacing, length, awards and competition

1	Session lengths were good and the awards were very nice.	8/8/2017 8:13 PM
2	ok after Thursday night	8/8/2017 7:12 AM
3	Is it possible to re-arrange the relay schedule so that the medley relays take place on the same day as the 100 & 200 BR events? Our breaststroke event swimmers (many of whom didn't qualify in other events) were at the meet all four days as the medley relays were on the days opposite of the breaststroke events.	8/7/2017 10:22 PM
4	Switch to doing awards after each type of event (all 200 backs, for example instead of doing 11-12 awards after 11-12 events) helped dramatically.	8/7/2017 9:05 PM
5	I like how the relays were in the morning of the final day.	8/7/2017 7:59 AM
6	Glad we changed the awards back to the normal spot after each group of like events - every 4	8/6/2017 8:45 PM
7	Awards on Thursday was awful. Seems like it got better as the meet went on.	8/6/2017 4:55 PM
8	Awards took too long, appreciated the combining of age groups into single break per event.	8/6/2017 3:28 PM
9	Awards took too long and made the finals Session last too long	8/6/2017 2:34 PM
10	Seemed about right.	8/6/2017 12:04 PM

14	thank you for the meet!	8/6/2017 8:43 AM
15	The meet was good. Finals were run well. Not enough seating for a meet this large.	8/6/2017 8:41 AM
16	Very good. Nice job	8/6/2017 8:38 AM
17	????	8/6/2017 8:28 AM
18	Excellent 4 day format and addition of 50 for strike events outstanding advancements.	8/6/2017 8:27 AM
19	Should have given top ten medals because there were ten lanes and ten spots on the podium	8/6/2017 8:25 AM
20	The meet was very fast which I liked	8/6/2017 8:24 AM
21	Changing to awards for all alike distances at once worked well.	8/6/2017 8:24 AM
22	The awards were slow and too much time was spent waiting when kids were not at the podium. Loved seeing top 8 on the podium.	8/6/2017 8:21 AM
23	It's good	8/6/2017 8:20 AM
24	If a b heat swimmers beat a A heat swimmer and the b swimmer didn't get a medal but had a faster time that's messed up . Like me I was in b heat and I bested like half of the A heat swimmers and I got a ribbon. :(And they need to add a chain or a pole to block where the officials can walk by and not say "move out the way " and push us	8/6/2017 8:17 AM

31	After 1st day pacing was much better. Too much time after aWard's to start of next event. MB	8/5/2017 7:29 PM
32	Good job after day 1	8/5/2017 6:53 PM
33	It ran very smoothly	8/5/2017 5:12 PM
34	Pace was great, except awards should be one event behind meet. Get more time to set organized.	8/5/2017 4:58 PM
35	First night finals was too long -- fixed for subsequent nights. Parade should be longer... music barely plays for the swimmers before the whistle is blown.	8/5/2017 4:43 PM
36	N/A	8/5/2017 2:33 PM
37	I thought that the 11&O Finals session could have been ran faster. The awards breaks took a long time to accomplish. The pace of the meet was fine except for the awards breaks. The competition level was really good, except for all of the distance except Boys 13-14. The event schedule seemed to work fine.	8/4/2017 7:40 PM

Q23 What were the strengths of the meet?

Answered: 90 Skipped: 56

#	Responses	Date
1	well run, nice facilities	8/7/2017 10:43 AM
2	The community seemed knowledgeable of the meet and were very friendly. The video system was very helpful throughout the facility. The event order was great. The hospitality was not always the best selection, but there was always plenty of it and the volunteers were very friendly! I like how the disability events were handled and the way every LSC cheered for the D2 athletes.	8/7/2017 10:33 AM
3	This was a great meet as an official. The meet director did an absolutely wonderful job of welcoming officials and the meet was very athlete friendly.	8/7/2017 10:06 AM
4	Well organized. Logistics handled well for the limitations imposed by the facility, including parking, seating, video, etc.	8/7/2017 9:21 AM
5	Overall nice facility (minus the column) and the meet was well ran.	8/7/2017 9:09 AM
6	Very well organized overall, good facility, location. Meet organizers were very friendly and enthusiastic.	8/7/2017 8:44 AM
7	Very well run. Volunteers were helpful, friendly, and responsive to requests and needs. You anticipated and executed the needs to support the meet very well.	8/7/2017 7:04 AM
8	Learned very quickly how to shorten up finals after some delays on Thursday night. Well done!!!	8/7/2017 12:04 AM
9	Great announcer. Fast pool.	8/6/2017 11:37 PM
10	Extremely well organized, being from Team Mn, the communication with the parents (I'm a parent of a 10 and under boy), the communication was WONDERFUL!	8/6/2017 10:55 PM
11	The competition.	8/6/2017 9:24 PM
12	Video production. Scoreboard. Heat sheet availability. Concessions.	8/6/2017 9:12 PM
13	They did really good compared to other meets here. The live webcast. On deck cameramen. Announcement guy.	8/6/2017 8:04 PM
14	Liked how the award process was changed after the first night of finals. Lumping more event awards together and giving the medals before winners got on the podium worked much better.	8/6/2017 6:52 PM
15	The 200 fly	8/6/2017 5:26 PM
16	Great athletes	8/6/2017 5:22 PM
17	Loved the live streaming!! Raised the bar for everyone!!! Also the busing was also great!! Great selection of food. Thank you!!	8/6/2017 5:20 PM
18	Good pace, volunteers, location	8/6/2017 5:15 PM
19	Morgan was here	8/6/2017 5:15 PM
20	Audio visuals. Very organized! Great food options. Thank you for providing the tent outside. A few kinks to work out with the medals at first, but then awesome! Friendly volunteers!	8/6/2017 5:11 PM
21	Very friendly	8/6/2017 5:10 PM
22	Competition, clear announcer, time between prelims and finals	8/6/2017 5:10 PM
23	The thoughtfulness and organization that went into trying to compensate for the shortcomings of the facility was excellent.	8/6/2017 4:16 PM
24	Available to me via streaming	8/6/2017 3:52 PM
25	Team attendance was good.	8/6/2017 3:49 PM
26	Organized	8/6/2017 3:35 PM
27	Good facilities, well run, good event	8/6/2017 2:12 PM
28	Kept it moving	8/6/2017 1:38 PM

29	Well ran Meet considering the facility limitations.	8/6/2017 1:11 PM
30	Well organized. Superb amenities in an older facility that has been renovated. Sound system, scoreboard and video are state of the art, well better than anything we have seen except at Olympic Trials.	8/6/2017 12:36 PM
31	The community that ran the meet was excellent - well run!	8/6/2017 12:03 PM
32	Things to see and do to while down time. Lots of food choice in town. Loved all the food choices at meet. People were polite. Things went smooth. Only downside was no camping spots inside. Normally that wouldn't be so bad but we didn't come prepared for the cool weather and being outside.	8/6/2017 10:29 AM

38	The technology	8/6/2017 8:41 AM
39	the big screen and hot heats also the enthusiasm of the announcer	8/6/2017 8:39 AM
40	You could tell the meet was highly organized. Adjustments were made after the first day in response to the flow of the meet. I understand the complexity and effort put into running a meet of this caliber and you should be proud of the work put into it. It was a great meet! Thank you!!	8/6/2017 8:33 AM
41	Good time length in between prelims and finals	8/6/2017 8:31 AM
42	enthusiastic competitors	8/6/2017 8:25 AM
43	The warmup time was plenty of time to finish all of your warmup and still be able to get your knee skin on	8/6/2017 8:23 AM

49	Enough warm up time	8/6/2017 7:49 AM
50	The teams	8/6/2017 7:46 AM
51	The organization was great as well as the officials	8/6/2017 7:34 AM
52	Ran very smooth. Plenty of screens to track e/h. Big screen for the finshes	8/6/2017 7:33 AM
53	Everything ran on time. The video board was awesome with live cameras and fun on the board before sessions started. Great entertainment and nice to see sponsors recognized.	8/6/2017 7:31 AM
54	The extension of the spectator seating was instrumental in making the prelim sessions comfortable. Without them, it would have been over crowded.	8/6/2017 7:23 AM
55	Location	8/6/2017 7:21 AM
56	Friendly people	8/6/2017 5:35 AM
57	The video camera that gave the athletes, coaches, and parents to get a great view of the pool. It was also fun for the athletes to be live on camera!	8/5/2017 10:48 PM
58	The 10 and unders meet was very fast! It was nice that the kids didn't have to wait for their medals.	8/5/2017 10:21 PM
59	Incredible people and well organized	8/5/2017 8:33 PM

60	The live online streaming! After my family from Ohio attended in person packed in the tiny stands to watch the event, they actually stayed home and watched the online stream the next day. Much easier to see and high quality.	8/5/2017 8:03 PM
61	The pool is great. The swimmers really thought it was fast. The air quality and temperature inside the pool,area were also very good. There were also quite a few convenient places to eat and hotels nearby.	8/5/2017 7:30 PM
62	Plenty of seats during 10 and under session.	8/5/2017 6:06 PM
63	The video of the meet was great. I thought the meet went at a good pace	8/5/2017 5:08 PM
64	Scoreboard Webcasting Timeline Nice People	8/5/2017 4:56 PM
65	Professionally run. Clearly, the meet management team knows their jobs.	8/5/2017 4:22 PM
66	The live webcam was AWESOME Many family members unable to be here were pleased to be able to watch. Very cool	8/5/2017 3:02 PM
67	Great atmosphere - friendly city. Kids love the walkouts and awards	8/5/2017 2:55 PM
68	Easy city with lots of lodging close by (but not the zone preferred lodging)	8/5/2017 1:13 PM
69	We'll run meet	8/5/2017 12:54 PM
70	Great job running the meet. Everyone so friendly and helpful. Hospitality was top notch!!!! It was great that kids had the gym to go to.	8/5/2017 12:54 PM
71	Well run	8/5/2017 11:19 AM

#	Responses	Date
1	competition level	8/7/2017 10:43 AM
2	Finals sessions had a good flow on the last 3 nights. I enjoyed watching the kids be able to perform at their best and get recognized for it.	8/7/2017 10:33 AM
3	Working with new officials from around the Central Zone. I met some great people that I'm happy to call new friends.	8/7/2017 10:06 AM
4	Easy to read the results on the board, good competition, and awards were presented quickly.	8/7/2017 9:09 AM
5	Races - got to see some excellent swims, close races and fantastic athletes. Athlete attitudes overall were amazing - great to see the camaraderie within teams.	8/7/2017 8:44 AM
6	Temperature and air quality were outstanding. And the video was really cool - but the extended video scoreboard was a great benefit - clearly showing timely information that athletes, officials, coaches, and spectators would want to know throughout the race. Well done!	8/7/2017 7:04 AM
7	Well run meet top to bottom	8/7/2017 12:04 AM
8	The competition was exciting and the kids had so much fun...these kids who are usually each other's competition were now their teammates...it was very exciting!	8/6/2017 10:55 PM

50	The food trucks gave more options than I have usually seen at a swim meet.	8/6/2017 7:33 AM
51	The level of energy on deck. This was our 3rd zones meet and it lived up to what we had been to in the past. Was a bit concerned about seating but it was never a problem. Plenty of room. Well done!!!!	8/6/2017 7:31 AM
52	The online video set a new standard for meets. For friends and relatives that couldn't attend or just for sessions where I was back at the hotel, it was great!! I will be driving our home club to implement this into our IT strategy! Thank you!!	8/6/2017 7:23 AM

80	1. Whoever decided to post psych sheets, timelines, and HEAT SHEETS prior to competition should be voted Mayor of the City (Listen Indiana - we all DESPISE your despicable philosophy year after year about NOT posting what our FAMILIES WANT!! "It hurts our heat sheet sales", and "we need parents to spend more money on finding out when their kid swims so we secretly shield them from information". BS! Figure it out!!! ..and when I say "We", I mean all of the other 14 LSC's; yes we all talk! Get into the new era. It's 2017!!!). Sorry, off the soapbox -- my families LOVED LOVED LOVED the information posted to the Orca's website and they told me, over and over again! Kudos, new Mayor of Rochester. 2. The energy on deck during finals. Loud, but not deafening. The PA system is terrible, always has been here. But the upgraded video (everywhere!) and great cheering made everything enjoyable. I grumbled on the thought of trekking our team to MN this year; but I will vote this location every time at Convention in the future!	8/4/2017 10:45 PM

Q25 What would you change about this meet?

Answered: 91 Skipped: 55

#	Responses	Date
1	Make sure the first night of finals flows better. It was very difficult for swimmers to know when to warm up for their finals races because the awards process and announcing was disorganized.	8/7/2017 10:33 AM
2	Two very minor issues: 1) Team Minnesota coaches put their bags behind the official's area. This caused coaches to feel the need to get behind the officials on a regular basis. 2) I'd prefer a bag tag like the swimmers received, but with "Official" at the bottom rather than "Athlete" only due to the longevity of the memento.	8/7/2017 10:06 AM
3	The regular PA announcer is outstanding - almost as though he could do it professionally. PA announcer during Thursday am and Sunday 1500s was incredibly distracting.	8/7/2017 9:21 AM
4	More spectator seating, follow the information that was posted in the meet information more accurately (announce swimmers names in the fast heats while the swimmers were behind the blocks), and the column was very distracting as a spectator.	8/7/2017 9:09 AM
5	Parking - the only and biggest disappointment. This meet is for the athletes. To not have ability to drop them off at the pool without a parking permit was a huge disservice to them. Parking spots were mostly - over 50% empty for both morning and finals and yet we were told there are no more parking passes. We tried the shuttle once, but it was faster to walk, so eventually we chose street parking closer to the facility. For future events, please make athlete drop-off a priority. It is fine to offer limited parking, but let us drop the kids off to the pool for their sessions.	8/7/2017 8:44 AM
6	Make sure timers are available 30 min before session. Calling for timers when meet starts is very frustrating, esp when everything else is going so well!	8/7/2017 7:04 AM
7	Only suggestion would be to maybe have a drive thru lane to drop swimmers off, otherwise everything was well thought out and planned	8/7/2017 12:04 AM
8	10&u sessions were extremely rushed. It's sad they don't get a chance to do finals. They seemed like a squeezed in afterthought.	8/6/2017 11:37 PM
9	The camera was focused too much on who was winning in the heat....as someone who is trying to watch other lanes and especially outside lanes, we rarely got to see our kid swim because the focus was only on who was winning. You need to take into consideration that other swimmers are trying to be seen too.	8/6/2017 10:51 PM
10	Get rid of admission and just add it to the entry fee.	8/6/2017 9:24 PM
11	Seating. Parking.	8/6/2017 9:12 PM
12	The warm up - cooll down pool is very warm.	8/6/2017 8:04 PM
13	can't think of anything. very well organized and seem to run very smoothly	8/6/2017 6:52 PM
14	Start finals earlier	8/6/2017 5:26 PM
15	Venue way too small, parking was ridiculous. Riding a bus to/from took up too much time. Food vendors spendy. More food truck options needed. Kahler Apache Hotel for our team was the worst hotel I'd ever seen. Gym was terrible for swimmers to wait in. Bathrooms were limited and dirty.	8/6/2017 5:22 PM
16	Clear the bottom row after each race as some families sat there the entire meet during prelims and finals. Reason we came so early each session was so we could have a seat.	8/6/2017 5:20 PM
17	The roof pillar made full viewing difficult for spectators and those watching online. Obviously that cannot be moved, but the camera could have been better mounted so all lanes could be seen all times. Unfortunately there were many finals races that weren't seen because the video dude thought there should be special effects with the 1st and 2nd place swimmers. Often the rest of the field was not visible, and relatives deprived of seeing their swimmer swim.	8/6/2017 5:15 PM
18	Relays at the begging of finals since many come just for relays Clean the floor (or make a rule u must wear shoes) Make warm down and warm up lanes separate Fix air system in warm down pool Less vomit	8/6/2017 5:15 PM

Central Zone 14 & under Championship-Rochester

19	Seeding process.....medals should be awarded based on times not what heat you are in A vs B	8/6/2017 5:10 PM
20	50s at the other end of the pool	8/6/2017 5:10 PM
21	Timers should have two watches each	8/6/2017 5:09 PM
22	Start the meet on time if no one id warming up! What a waste, some people have 7 hour drives to go to work tomorrow!	8/6/2017 5:08 PM
23	More deck space.	8/6/2017 4:16 PM
24	For streaming audience, could not hear announcer consistently and could not see times/scoreboard	8/6/2017 3:52 PM
25	The Orcas have over 300 members. The fact that you had to ask parents to volunteer to time during every session is unacceptable. The meet was not organized before start on Thursday and prelims and finals were far behind the scheduled timeline. This was the worst run Championship level meet I have ever attended. Sunday afternoon and evening sessions were behind schedule and families traveling home will be very late because of the lack of organization. I will never bring my swimmer back to this venue regardless of level of competition.	8/6/2017 3:49 PM
26	The venue is not very fan friendly. Just too small for a Meet of this size/caliber.	8/6/2017 1:11 PM
27	Make parking lot bigger. Put food concessions in the gym. Can you paint the rest of the grey walls?	8/6/2017 12:36 PM
28	The location. Over the four days I heard nothing but " we'll run meet..... I can't believe they are holding a meet of this importance at a pool with no camping and obstructed viewing" I must agree. We had our small child here on day 1 and had to call a relative to come grab her.... absolutely no place for her to spend the day. Families are traveling great distances to participate and support the swimmer and this location made time between races very difficult. I am hopeful that in future years, that the physical complex is taken into consideration. Unfortunate that this is the take away from the meet.... the community did such a great job.	8/6/2017 12:03 PM
29	I run meets and I know how hard it is and how difficult to work with venues etc. I think you did great. The cool temps and sitting outside were a problem. I went shopping and got clothes and will plan ahead better next time.	8/6/2017 10:29 AM

33	The pool was extremely slow compared to new college facilities where high level meets are held. . Only one meet record broken and most times up. People things great-pool facilities not the quality needed for this high level meet.	8/6/2017 9:43 AM

35	Bleacher seats in the bleachers?	8/6/2017 8:51 AM
36	The spectator seating	8/6/2017 8:41 AM
37	the air was too cold in the main pool/ gym and the warm down pool's temperature could be compared to a sauna	8/6/2017 8:39 AM
38	Having more deck space.	8/6/2017 8:31 AM
39	There were multiple instances where rules or policies seemed to be invented on the fly without any real communication. This J led to confusion and frustration. For instance: Policy on stadium seats Policy on camping in gym (signs but no enforcement) Policy on one-way entry/exit in stands Policy on shuttle pick up location Policy on entering/leaving from back parking lot I understand that adjustments need to be made to improve things as the event goes on, but I think there could have been a better way to communicate policies and changes.	8/6/2017 8:26 AM
40	ropes along side the pool	8/6/2017 8:25 AM
41	More security and a different location	8/6/2017 8:23 AM
42	Live streaming was a little inconsistent, maybe I missed it...but perhaps offering an incentive to be a timer (when shorthanded) would help. Many people feel no obligation to help the host club work the meet.	8/6/2017 8:21 AM

Central Zone 14 & under Championship-Rochester

43	I wish there was more deck space. The locker rooms/ bathrooms are really gross and smell weird.	8/6/2017 8:16 AM
44	No parking pass, don't make us go through just the hockey entrance, don't have the meet in Rochester, and have more states come.	8/6/2017 8:11 AM
45	Na	8/6/2017 8:10 AM
46	Change temp in cool down pool(cooler)	8/6/2017 7:49 AM
47	The warm up pool make it colder. And the air not as bad in there	8/6/2017 7:46 AM
48	Awards were much better after the first night	8/6/2017 7:34 AM
49	Find some way to magically make bleachers more comfortable. Then patent it, distribute it and smile as the money comes rolling in.	8/6/2017 7:33 AM
50	Get rid of the 50s for the older swimmers. I see no benefit to anyone in having them swim 50 back, breast and fly. It added an extra day to the meet.	8/6/2017 7:31 AM
51	Something you can't change and that is the large support column blocking the spectator view.	8/6/2017 7:23 AM
52	Seating was crowded and difficult to get out of middle of stands	8/6/2017 7:21 AM
53	The meet announcement specifically says that stadium chairs ARE okay. It was very disappointing to find the day of the meet that they were not. There was a big deal made about that as well as not camping in the gym (with posted signs, etc), but the stadium chair thing was enforced, while the blankets and chairs in the gym were not.	8/6/2017 7:16 AM
54	Too restrictive on parking at the pool area parking lot. Parking lot is empty during 11 and older finals. Should allow parking during 11 and over finals. Food and camping should be allowed in the gym. This location is not a destination spot for out of town swimmers.	8/6/2017 5:35 AM
55	Only top 3 places got medals in the relays. At least top 4 or 5 should receive a medal. The air quality was extremely bad in the cool-down pool; a opened-door or fan was almost necessary. There was very little time between races in finals.	8/5/2017 10:48 PM
56	I would give the kids a little more break between events. There was the allotted 15 min time between events, but the athletes could have benefited with a little more time. (For the 10-U Meet). As a spectator.... I wouldn't have minded having the meet go a little longer if it did give the athletes some extra time between events.	8/5/2017 10:21 PM
57	Access into the building, parking options.	8/5/2017 8:33 PM
58	Need more spectator seating and parking need to be free.	8/5/2017 8:03 PM
59	There's not enough room for the swimmers and coaches on deck or nearby. The parking was inconvenient for those who had to park remotely.	8/5/2017 7:30 PM
60	Better venue with better/more seating & spectator area Better/more accessible concessions Some volunteer were very unfriendly	8/5/2017 6:29 PM
61	The pillar blocking the view of the pool from the stands. It was awful. Of course more parking.	8/5/2017 6:06 PM
62	I couldn't hear the announcer very well and there was very limited deck space.	8/5/2017 5:08 PM
63	Not a whole lot	8/5/2017 4:56 PM
64	Not enough spectator seating (unable to change that). However, charging for parking at an already-smaller venue appears (unintentionally) to "take advantage" of space challenges. Perhaps that revenue merely covers costs for shuttles?	8/5/2017 4:22 PM
65	One of the officials on Starts's was horrible. She waits way too long. Those kids can not hold that tense position that long & thankfully it was not when my son swam	8/5/2017 3:02 PM
66	Have it on college campus, more centrally located.	8/5/2017 2:04 PM
67	Hospitality too far away. While food was ok, putting limits as to how many times you can go isn't being very hospitable. Buy more if you think you will run out. Other venues put no limits. Also because it is so far away, have people come around more than 1x.	8/5/2017 1:13 PM
68	10 and under swimmers need more time between events.	8/5/2017 12:54 PM

Central Zone 14 & under Championship-Rochester

69	The "rules" for spectators were constantly changing from session to session. It is frustrating to be told that something is not allowed, then its allowed the next session and vice versa without communcation.	8/5/2017 12:27 PM
70	There was not much parking at the facility and accessing the schools for riding the shuttle bus was not very convenient.	8/5/2017 11:32 AM
71	No easy access for handicap people with difficulty walking. I know the lack of close entry access to the pool prohibited one parent from attending more than finals. getting into the handicap seating from the parking lot was extremely difficult.	8/5/2017 10:39 AM
72	Assigned warmup times Coaches seating area	8/5/2017 10:32 AM
73	Walk out distance at finals and deck space	8/5/2017 10:14 AM
74	All swimmers should be allowed to be dropped off. Restricting that was just a money grab. Also using valuable gym space on overpriced arcade games rather than a comfortable space for athletes & spectators was not a smart move. The athletes' comfort should come before the host team's profits.	8/5/2017 10:03 AM
75	Our team had very little space, NO deck space. I was a chaperone and I had no place to sit. Deck was very tight and uncomfortable.	8/5/2017 9:53 AM
76	1. Video streaming in the gym needed a PA system could not hear anything. 2. Parking should be a tiered pass system of some kind....or by age group.....numerous open spots at every session that end underutilized. 3. Swim teams were allegedly told y their coaches not to trade caps if they were not silicone...was really disappointing to many swimmers particularly MN team because they had latex only.. 4. First day announcing was very poor, no excitement, hard to hear.....Announcing on the second day was noticeably better...he did an excellent job! 5. Email communication....was informative, however many times came after 10 pm communicating changes for the AM and our swimmers and parents had already gone to bed...difficult to plan	8/5/2017 9:53 AM
77	Have access to the rear entry like day 0 and 1. Once we were inside we didn't go back out or we'd lose our seats.	8/5/2017 9:43 AM
78	Think the viewing area could be reworked.	8/5/2017 9:41 AM
79	Not charge for parking. Deck space for long course is bad at this pool. Officials have to constantly harass the swimmers and coaches to step back into space that is barely big enough to stand. As an official, I hate that forced confrontation. Swimmers think the officials are being mean and officials get frustrated knowing it can't be helped.	8/5/2017 9:38 AM
80	Lane one visibility	8/5/2017 9:35 AM
81	There needs to be better sound in the gym. You could not hear any announcements in the gym. Great video on the wall, just need sound to go with it.	8/5/2017 9:35 AM
82	Parking shuttes were slower than walking. Restricted parking lots next to the facility were empty most of the time.	8/5/2017 9:34 AM
83	Not much	8/5/2017 9:34 AM
84	Delay in finals first night with placement in particular event; why hold up the meet and make kids stand behind the blocks? Keep the meet going while you figure it out	8/5/2017 9:34 AM
85	Swimmer drop off zones... better parking that is closer to the pool more areas for families to retreat	8/5/2017 9:31 AM
86	Better info online ahead of time about the ticket prices. I bought a gold pass but didn't need that at all-/thought it would be a deal but I only needed 2 days worth of entries!!	8/4/2017 11:11 PM
87	Figure out the parking and not make it so rigid - within reason. Too much attention and security and communication on that one detail. Other than that, nothing -- great meet!	8/4/2017 10:45 PM
88	Website was horrendous and not navigable	8/4/2017 10:29 PM
89	Turn the volume down on the sound system. It was way too loud. This is not acceptable. Too many spectators were wearing hearing protection to try to protect their hearing.	8/4/2017 7:03 PM

Central Zone 14 & under Championship-Rochester

90	<p>a. The venue. The Rochester Rec center has the 2nd best pool in the state of Minnesota, but is unfortunately insufficient to host a meet this caliber. Consider more seating space or moving it to the U of M. b. Parking passes were excessively expensive. \$10 a day for an open parking spot? It's \$8 for event parking at the U of M per day. Also I heard of some parents purchasing Parking passes in anticipation, which the system did not acknowledge and ended up getting Admission passes instead. c. Concessions didn't offer any healthy options (greasy burgers and pizza may be an option for spectators, but not an option for athletes). Also, cash only at the food trucks? d. The Team MN gear desk had to camp in the cold hockey spot. Got a better spot for Saturday and Sunday?</p>	8/4/2017 6:57 PM

Q26 Comments regarding 10 & under session: events, pacing, length, awards and competition

Answered: 54 Skipped: 92

#	Responses	Date
1	The intervals between events should be much longer than scheduled, because swimmers need more time to rest and warm-down to get rid of excess Lactic Acid in muscles (at least 30 minutes between the events). The officials or organizer should give swimmers some times for warm-down or rest right before award ceremony for 10&U session; because there is really plenty of times before the evening final session start. However, the actual interval (including award ceremony) is only 15 minutes to 20 minutes. Not good for swimmers best performance.	8/7/2017 11:00 AM
2	Perfect	8/7/2017 10:43 AM
3	I was not at the 10&U sessions	8/7/2017 10:33 AM
4	I think the sessions went great and paced well. I was concerned that the pacing might be too fast for those young athletes, but you will have that in trying to get all their events in 3 days.	8/7/2017 10:06 AM
5	N/A	8/7/2017 9:21 AM
6	Very disappointed that the swimmers names were NOT announced as expected for the fastest heats while the swimmers were behind the blocks. Otherwise overall a decent meet.	8/7/2017 9:09 AM

8	Loved the events. Pacing was too rushed. These kids aren't getting same recognition as 11-12/13-14. They need to have a finals, not just a timed finals. Great races.	8/6/2017 11:37 PM
9	I don't know what you can do, but the 10 and unders really don't get the time they need to recover after the races. My son had 3 events the last day plus a relay...our fault for not recognizing the timeline of events when we signed him up, but the level of completion they are expected to compete at in such a short period of time is very hard on them both physically...it's impossible to recover if you are swimming two events back to back, and emotionally. My son really got hit hard emotionally after a race he was capable of doing much better at...and with no time to process, let alone physically recover from...it is hard. It's part of the game, I understand that, but it's still very hard on them. Again, I don't know what the alternative could be, but maybe someone more clever than me can come up with something. The awards ceremony for them was wonderful and it offered some recovery time. Competition was outstanding!	8/6/2017 10:55 PM

17	This was the best part of the meet, because of the enthusiasm of the younger swimmers. Awesome. Leave just a little more time for awards.	8/6/2017 12:36 PM

Q27 Comments regarding 11 & over finals session: events, pacing, length, awards and competition

1	As mentioned above, I think the pacing the last three nights was ideal. Swimmers knew when awards would be, they knew when they would race and they knew when they could warm-up/warm-down. Once that was ironed out, the swimming was better and the timeline was great.l	8/7/2017 10:33 AM
2	After the first night at finals, the timing and pace of the meet were great. It was great to see the meet director and staff make appropriate changes.	8/7/2017 10:06 AM
3	Well done for the most part. Seemed like a few lessons were learned after Thursday's finals sessions as the finals sessions for the rest of the weekend went smoothly.	8/7/2017 9:21 AM

5	Very well paced and organized. It was a wonderful meet. Kudos to the organizers, timers, coaches and officials for making this the best last meet of this season for age group athletes.	8/7/2017 8:44 AM
6	Already discussed above with the length of Thursday night finals. Came back Friday night worried about a repeat and pleasantly surprised by the changes that were made to speed the process, but also allow athletes to be well recognized	8/7/2017 12:04 AM
7	Great races to watch. First night was on the long side, but they had it moving well after that.	8/6/2017 11:37 PM
8	The camera was focused too much on who was winning in the heat....as someone who is trying to watch other lanes and especially outside lanes, we rarely got to see our kid swim because the focus was only on who was winning. You need to take into consideration that other swimmers are trying to be seen too.	8/6/2017 10:51 PM
9	Don't change a thing about the finals.	8/6/2017 9:24 PM
10	Excellent when started on time. First night was greatly delayed	8/6/2017 9:12 PM
11	I don't think they have enough time in between events. Like I did 50 backstroke and 200 I'm in finals and I had maybe 10 minutes between swims.	8/6/2017 8:04 PM
12	You did not get the information correct on the Boys 13-14 over all total points winner - HUGE disappointment for our swimmer.	8/6/2017 7:37 PM
13	First night of finals ran very long but the event coordinators did a great job of analyzing and adjusting the award presentation for the remaining finals sessions. Competition was great and so was sportsmanship.	8/6/2017 6:52 PM
14	10	8/6/2017 5:26 PM
15	Days took too long. Kids had nothing to do. Space was extremely crowded.	8/6/2017 5:22 PM
16	Very nicely done!! Would be fun if you had a little bio or fun trivia part about the coaches on each team. Most kids don't know a lot about their Zone coaches and it would be a fun platform for everyone to learn more about them than just the Coach from Ohio.	8/6/2017 5:20 PM
17	Botched National Anthem the first night was an embarrassment for the announcer and a disgrace. Following ceremony was fine. Too much talking by the announcers overall.	8/6/2017 5:15 PM
18	They held held me on the blocks for a while in the backstroke	8/6/2017 5:15 PM
19	Great!	8/6/2017 5:11 PM
20	See above about awarding medals. For example, swimmer in B final came in 4th overall and could not receive a medal based on seeding	8/6/2017 5:10 PM
21	Timing was much better after day one	8/6/2017 5:09 PM
22	Had the hiccup that first day but you made a change immediately. The rest of the meet ran great.	8/6/2017 4:16 PM

24	Some of the swimmers were rushed up to the blocks in the finals session after the parade. Need more time here to allow them to get their warmups off.	8/6/2017 12:36 PM

34	Good	8/6/2017 8:31 AM
35	Appreciate attempts to speed up the session by consolidating awards breaks while honoring the champions with their moment.	8/6/2017 8:26 AM
36	very good days 2, 3 and 4. poor day	8/6/2017 8:25 AM
37	Well organized. Liked the quick awards after a group of events.	8/6/2017 8:21 AM
38	Doing awards right after events takes awhile, maybe do a few more events then move to awards	8/6/2017 8:16 AM
39	The finals for the 11 and over were paced very slowly and they were often behind the timeline.	8/6/2017 8:11 AM
40	The awards take way too long	8/6/2017 8:11 AM

46	Ran very smooth. If there were hickups they were hidden well from the spectators.	8/6/2017 7:33 AM
47	The champions procession to the blocks and awards were well done. These athletes deserve that recognition and made it feel like a championship meet. Thanks for the hard work in the months leading up to the meet and the countless hours spent during.	8/6/2017 7:31 AM
48	Great for the kids and spectators. Well run and executed	8/6/2017 7:23 AM
49	Appreciated the adjustments that were made after day 1 to help finals move along a little faster.	8/6/2017 7:21 AM

52	All were very enjoyable!	8/5/2017 8:03 PM
53	The first night was rough. After that, it moved along much better. It would be nice if relays could be limited to only 2 heats to cut down on the length of sessions.	8/5/2017 7:30 PM
54	Length of finals session too long--poorly run & poorly organized. Will not return to a meet at this venue.	8/5/2017 6:29 PM
55	First night was long but the remainder of the nights were great! Overall great meet!	8/5/2017 4:56 PM
56	Underestimating Finals timeline on Day 1 by 45 minutes was an opportunity to improve upon - but resultant fixes thereafter were excellent. Meet management rolled with it and adjusted. Good job.	8/5/2017 4:22 PM

57	Marshall on bleachers telling people to walk in front of entire viewing area to go down is DUMB. NOT working. I get the concept but- still not working. Dumbest thing ever to watch. She was set up for failure. If that is a must- than at least put arrows down to help her out. Disputes regarding awards= figure it out while next event swimming There is no reason to keep delaying the meet. Overall really well done!	8/5/2017 3:02 PM
58	1st night was rough seemed to get better. Medals seem cheap	8/5/2017 2:04 PM
59	Avg.	8/5/2017 1:13 PM
60	Pacing was good, awards were tough first night. Changes night 2 were good, only read top 8 finishers do 11/12& 13/14 at the same time	8/5/2017 12:27 PM
61	Pace can be a lot faster to speed things along. Better improvement 2nd day of finals.	8/5/2017 12:17 PM
62	The first night of finals took way to long for awards. The following nights were much more organized. Thank you for recognizing the issue and attending to it.	8/5/2017 11:32 AM
63	Awards were significantly better after the first day	8/5/2017 10:32 AM
64	I thought it went well.	8/5/2017 10:14 AM
65	Awards breaks that will be longer than planned should be announced clearly so that swimmers in the following heats can remain seated rather than being stuck at the blocks.	8/5/2017 10:03 AM
66	Great after first day.	8/5/2017 9:53 AM
67	Day 1 finals went soooo long. But I really wanted the 11-12 to have a prelim and final on the longer races.	8/5/2017 9:43 AM
68	Think things flowed better day two. Overall well run meet.	8/5/2017 9:41 AM
69	Finals awards improved each day. Thursday was too slow, but Friday was just right.	8/5/2017 9:38 AM
70	First night was slow, but improvements were made by the 2nd night and it ran smoothly.	8/5/2017 9:35 AM
71	Enjoyed the finals. Pacing was good and the awards at the end of like events was well placed.	8/5/2017 9:34 AM

76	Don't delay the meet over an event's results. Confusion regarding event 10 resulted in the meet running 20 minutes longer than it should have. Review the event as the meet continues so the session ends on time and the athletes can get to bed and get adequate rest.	8/4/2017 7:03 PM
77	Well ran meet. Medals are beautiful!	8/4/2017 6:57 PM
