Last Report:

This is my last report for the Central Zone. It has been my pleasure to serve as Secretary/Treasurer for the Central Zone for 20 plus years. Working with the wonderful Central Zone directors and other officers has been very rewarding. I am passing on 20 years' worth of documents etc to the next Zone Secretary/Treasurer. I'm not sure if anyone wants all the information that I have archived, but it will be available. A road trip for the next CZ Secretary/Treasurer is in the plans. All my best to all CZ members. Hopefully going forward we will all get back to somewhat normal Swimming and Zone activities.
