*Athletes who will be missing all of portions of the practices offered for the week are expected to communicate that with their coaches. Here are some ideas for opportunities to exercise while away from home.

- If an athlete going to visit an area that has another USA Swimming club team, they may request for the coaches to reach out to see if it would be okay for them to practice with a local team.
- If an athlete is going to visit an area that has a pool available for practices, they may request for the coaches to send them with a practice packet to do on their own (under parent or lifeguard supervision).
- If an athlete is not going to be able to swim while away for a holiday, please ask a coach to send them with a dryland packet.
