

Clovis Swim Club

Swim Meet Volunteer Program

The success of Clovis Swim Club is largely due to the support of our parent volunteers at swim meets. We will continue to need your support in every aspect of our organization for that success to continue.

1. Hours worked at Clovis Swim Club hosted meets.

- September – July dues for the first athlete in each family includes \$45.00 per month that may be refunded to your account by volunteering at meets.
- Families that only have swimmers in the Academy groups do not contribute to the volunteer program, nor do they receive refunds from the volunteer program.
- Family accounts will be able to earn a credit of up to \$495 per year by volunteering at meets. Accounts earn a credit of \$15 / hour worked.
- A minimum of 8 hours must be done at the Western Zone Senior Championships in the final week of our Summer season.
- In order to receive proper credit for working the swim meets, volunteers must complete the online Meet Volunteer Form for each separate session worked. The volunteer hours must be reported within ONE (1) week of the finish of the meet in which the volunteer session occurred.
- Families that volunteer 50 + hours prior to August 2, 2026 (with at least 8 hours volunteered at the Zone Senior Champs) will have their Annual Administrative fee **waived** for 2025-26

2. How do I sign up to volunteer?

We list all of the volunteer positions on our website www.clovisswimclub.org. Please look at the front page under “Swim Meets” and click on “Job Sign-up” There are positions at swim meets such as Announcer, Clerk of Course, Food Service Helper, Computer etc. Timing at home meets is expected by any parents who are not assisting with key roles of hosting a home meet, and do not earn volunteer credit.

3. Timing at Away Meets

Timing at away meets in which your child participates is a separate requirement of all member families. You are responsible for timing one hour each day you have a child swimming in a meet. You will receive ½ credit (30 minutes credit) towards your volunteer obligation for each hour of timing. A member of our Booster Club Board of Directors (or delegated parent) will organize our timing assignments at away meets.

4. Officials

Officials will receive volunteer credit at home and away swim meets on the Clovis Swim Club Schedule.
