

Clover Aquatics Code of Conduct: Parents

The purpose of a code of conduct for parents is to establish clear and consistent expectations for parental behavior. As a parent/guardian, I understand the important growth and developmental support that my child's participation fosters. I also understand that it is essential to provide the coaching staff with respect and the authority to coach the team. I agree with the following statements:

- I will set the right example for our children by demonstrating sportsmanship and always showing respect and common courtesy to team members, coaches, competitors, officials, parents, and all facility personnel.
- I will get involved by volunteering, observing practices, cheering at meets, and discussing my child's progress with their coach.
- I will refrain from coaching my child from the stands during practices or meets.
- I understand that criticizing, name-calling, the use of abusive language or gestures directed toward coaches, officials, volunteers, and/or any participating swimmer will not be tolerated.
- I will respect the integrity of the officials.
- I will direct my concerns first to Tami Klinksiek; if I am not satisfied, I will then escalate them to the appropriate supervisor.
- ***Parents who exhibit sexist, racist, homophobic, or otherwise inappropriate behavior will be faced with consequences.***

I understand the above expectations and that my failure to adhere to them may result in disciplinary action.
