

Join MACS!

MACS is a USA Swimming year-round swim club with swimmers ranging from novice through Olympic Trial qualifiers.

Our swimmers benefit from professional training by award-winning coaches, convenient practice times at our team-owned pool, and a long history of providing Denver area swimmers with access to a premier swim program.

The team practices at Pier Point Pool near Parker and Quincy and Eaglecrest High School.

New Swimmer Registration, Tryouts, and Parent Q&A

September 6, 5:30pm at the
Eaglecrest High School Pool.

Please bring suit and goggles. MACS Coaches will have the kids in the pool to help determine the best practice group.
