

WEEKLY SPLASH

Update for the week of **11/25/2024**

With Thanksgiving fast approaching and our November Sprints meet now behind us, I'm keeping this week short. As always, a **HUGE** thank you to everyone who helped make this weekend a success. Anyone in attendance saw the largest meet we've run this season. Thank you to everyone who volunteered in any manner and to everyone who donated items. This meet would not have been a success without you.
