

WEEKLY SPLASH

Update for the week of **2/3/2025**

GREAT weekend for a lot of our swimmers taking advantage of the Fitter and Faster clinic held at the McCann Natatorium. Check out the photos on IG, we had two great clinicians who were very informative and gave our swimmers and parents an awesome weekend.

I can't believe we are in February and looking at winding down our season, which will end in March. Spring/summer season registration information and new swimmer tryout information will be coming out in the next few weeks. Swimmers currently on the team do not try out again, tryouts are only for swimmers looking to join the Rapids.

SCHEDULE CHANGES FOR THE WEEK

Saturday 2/8 and Sunday 2/9: All practices canceled at all locations due to our Rapids hosted swim meet.

***** If a practice is not listed then it is on as scheduled.*****

SNOWFLAKE CLASSIC UPDATE

The donation list and job sign up should be posted shortly. Be on the lookout for those, as well as some time changes. More information to come as soon as it is finalized.

PINK CHAMPIONSHIP CAPS

You saw their debut at the IMX meet down in Maryland, these caps are for those swimmers who qualify and swim at high level meets like: IMX, Seniors, Age Groups, Sectionals, Zones or higher. Swimmers receive 1 cap per season regardless of how many meets they qualify for and swim at. Look out for possibly more championship gear as we get into March.
