

WEEKLY SPLASH

Update for the week of **11/10/2025**

A great time to be part of the Rapids - 2 very successful meets this weekend. Thank you to all of our officials, volunteers and parents for their time and donations in helping us create and run these 2 successful events for our swimmers. Good luck to all of our High School girls who have State Finals this week.

SCHEDULE CHANGES

Tuesday 11/11 - Novice and Seniors are canceled at the SCC due to the building being closed for Veterans Day. Sr Select will practice at McCann 7:15-8:45pm.

****Any practices not listed as changed are on as normal****

SWIM MEET UPDATES

Santa Meet is closed - the meet filled up and the host team is not accepting any new entries. I have posted our entry. Unfortunately we had a few swimmers miss our deadline and at this point I cannot get anyone into the meet.

UVAC Meet is posted and closed as well. This allows us to start preparing for the T-shirts and pizza party. If you don't see your name on the posted entry, let me know ASAP. I think I was able to add/remove everyone that needed it.

Added meets, Rapids hosted winter distance meet and winter Pentathlon. I will update the SYS meet and the IMX meet once their information is published/posted. For the CPAC meet, we will only be attending Saturday & Sunday for this meet.
