****Any practice not listed as changed are on as normal****

SWIM MEETS

1. All meets through Christmas are posted, please watch deadlines. The Santa meet is awesome for our little ones with a lot of characters walking around and even the big man himself sometimes makes an appearance.
2. Unless you were a late add after the deadline, if you do not see your name on an entry then you are not in the meet.
3. **LAST CALL:** UVAC, The CDOG IMX and our Rapids hosted Fall into Freestyle meets all become final on Tuesday. After Tuesday you are responsible for the splash fees. Let me know by Tuesday if you need to be added or removed from any of these meets. UVAC events may change as we get closer to the meet.
4. Meet Notes that contain everything parents will need to know for the meet usually get sent out the Wednesday/Thursday before a meet.
5. Our first hosted meet of the season is coming up quickly, look for a separate email on that meet.
