## **Soundview Family YMCA a branch of the Central Connecticut Coast YMCA Action Plan to Address Bullying**

This guide may not cover every situation but it is designed to provide direction. For specific questions, contact USA Swimming Safe Sport staff at (719) 866-4578.

The goal of a safety plan is to address a child's inappropriate behavior without labeling or removing the child from the activity. For a safety plan to be effective, the club's leadership and the parents/guardians of the child in question must agree to actively supervise the child according to the agreements made in the plan.

Peer to peer incidents can include sexual bullying situations such as: a child snapping another's suit, making sexual jokes, peeping in the locker rooms, simulating sexual acts etc.

It is often difficult to know how to best handle these situations and such incidents must be addressed quickly, compassionately, and responsibly. This action plan outlines the process that will be followed by Soundview Family YMCA a branch of the Central Connecticut Coast YMCA Staff in the event of an incident.

### **Soundview Family YMCA a branch of the Central Connecticut Coast YMCA Action Plan:**

1. The inappropriate situation is reported, and all necessary members of the leadership team (i.e., Head Coach and/or YMCA Staff) are notified.
2. Depending upon the nature, severity, and ages of children involved, the Soundview Family YMCA a branch of the Central Connecticut Coast YMCA Staff may be required to report the incident to local law enforcement. USA Swimming can assist if needed.
3. The parents or guardians of the children involved are all notified of the situation.
4. The leadership team meets with the targeted child and his/her parent/guardian to understand their wishes and explain the next steps.
5. The leadership team meets with the aggressor child and his/her parent/guardian to discuss the situation and develop a safety plan.
6. Copies of the safety plan are distributed to all parties for their reference and must be agreed to by all parties involved.

### **Safety Plan Development**

The safety plan is an accountability tool and includes consequences for behavior that violates the plan. Consequences will be discussed in conjunction with behavioral expectations and clearly articulated to the child and his/her parent/guardian during the safety planning meeting. Consequences may vary by case and can lead to termination from the team. The safety plan is made official by a statement of agreement. The statement of agreement includes all those parties involved in the development and implementation of the safety plan – club leadership, coach(es), parent/guardian, and athlete. It will also specify the duration of the safety plan and a short description of the progress review when the safety plan reaches its end date.

Soundview Family YMCA a branch of the Central Connecticut Coast YMCA Staff will demonstrate respect for both parties, and express belief in the aggressor child's ability to control his/her behavior. It is very important throughout the development of the safety plan that the thoughts and feelings of both the aggressor child and the targeted child are considered. Responsibility and accountability are key components to supervision. Using statements of thoughts, feelings and lessons that have been learned when completing a safety plan are more effective and helps increase accountability.

Safe supervision is the focus of how to work with children who have behaved inappropriately around their peers. Through a structured safety plan, the goal is to prevent future abusive situations from happening while emphasizing an educational approach that in most instances can allow the child who demonstrated inappropriate behavior to remain on the team and learn to make better choices in the future.

### **Soundview Family YMCA a branch of the Central Connecticut Coast YMCA Safety Plan Development Process:**

1. Ask the child to describe the problematic behavior and the impact such behavior has on the other child and teammates.
2. Identify the child's motivation and find out what made him/her act out in this manner.
3. Explain the behavioral expectations for the child to remain on the team.
4. Identify specific risk areas and help the child control his/her behavior.
5. Outline the expectations for the child and consequences for violating the safety plan.

## Safety Plan Worksheet

This worksheet should be completed together with the aggressor child and his/her parents. Explain to the child that he/she has exhibited concerning behavior but you believe they know the right behavior. A safety plan is a tool to help the child demonstrate appropriate behavior. Explain to the child and his/her parents that the safety plan is private but not confidential – the coaches and YMCA staff who work closely with the child will be made aware of the safety plan. The target and his/her parents will also be made aware of the safety plan.

At the conclusion of the meeting, everyone will agree to and sign the safety plan. If all parties are unable to agree on the safety plan, the outcome will be:

Suspension from the team

What are the wishes/concerns of the targeted child? How did the child's behavior impact the targeted child? (Ask the targeted child or the parent/guardian of the child before the safety planning meeting. The targeted child and his/her parent do not need to attend the safety planning meeting)
