

2015 ASI Age Group State Championships LC

Fort Smith, AR 7/24-7/26

Total Minutes: 35

Topics during meeting:

1. Meet (427swimmers) need to adjust cuts (not for 10 & unders) – new committee to handle cuts (Onat and Shawn)

Possible switch the 400 and the 800 freestyle events.

Relay Awards –to be presented immediately after relays.

Opinions about Parade of Athletes (move to different day/session) (removing parade?)

Touchpads: (ASI obtains 16 pads) communicate and streamline effort to make sure pads are located both ends of pool for championship meets. If more pads needed, contact local or closest club team.

Scoreboard: overall interest in addition of 2 panels to the scoreboard to show all 10 lanes

Timers: coordinated effort to recruit and obtain timers before commencement of the meet/session in order to avoid delay. (Host clubs provide)

ASI Scholarship Fund – possible addition of an ASI Scholarship fund to aid graduating senior(s) (must be need based) HOD to discuss further.

Addition of 200 strokes for 11-12 year olds (200's offered at zones) – would make 200's open to 11-18 year olds rather than 13-18.
