

INDIANA SWIMMING RECOGNIZES **2022 OUTSTANDING ATHLETE PERFORMANCES**

Each spring at the March Indiana Swimming Spring Senior Championships and Short Course Age Group State Championships, Indiana Swimming recognizes the outstanding achievements of three groups of athletes from the previous year by presenting Top Performer, National Meet Rookie, and IAR Record Breaker awards during the Saturday evening finals sessions. Please join us now in recognizing these athletes and celebrating their 2022 outstanding accomplishments in our sport.

2021-2022 TOP PERFORMER AWARDS

The Top Performer awards are based on the Indiana Swimming Top 10 rankings in both short course yards and long course meters in individual events that are offered at the Indiana Swimming state championship meets. This award honors the individual swimmer who is the “all-around” or “high point” performer in each age group and gender over the entire season. Congratulations to each of the following swimmers for being Indiana Swimming Top Performers for the 2021-2022 short course season and for the 2022 long course season! Each will receive a custom plaque for their outstanding achievement as Indiana Swimming Top Performers.

2022 INDIANA SWIMMING ASSOCIATION RECORD BREAKERS

Each year, Indiana Swimming recognizes its athletes who have broken one or more Indiana Association Records (IARs) in the previous year with an IAR Record Breaker certificate. As an IAR record holder, an athlete has achieved the fastest time ever swum in an event by an Indiana Swimming athlete. Congratulations to the following Indiana Swimming athletes for being the fastest Indiana swimmers of all time in these events!
