ENTERING THE MEET

QUALIFYING PERIOD

Times must be achieved from Friday, March 3, 2023 thru late entry deadline, Friday, March 1, 2024 at the start of the meet.

ELIGIBILITY

- Age as of the first day of the meet will determine age for the entire meet, USA Swimming rule 205.2.
- **All 18 & over athletes, including those turning 18 during the meet, must be MAAPP compliant.**
- All swimmers, coaches, and officials must have an ID # registered with Indiana Swimming, USA Swimming rule 202.5. ISI will not process any on-deck registrations at this meet.
- Swimmers with qualifying times made by the entry deadline will be allowed to enter this meet.
- ISI has a swimmer with disability inclusion policy. Contact the ISI Disability Coordinator for application and consideration, Disability Application.
- ISI has a diversity and inclusion policy to assist outreach members participating in the meet. Please contact the ISI Office for more information.
- All entry times must fall within the qualifying standards for that event. Official time standards are included in this letter.
- Swimmers must be entered with their fastest time(s) achieved during the qualifying period.
- **Swimmers who are qualified for and eligible to compete in a specific STROKE & DISTANCE at the Indiana Swimming Age Group or Senior State Meets (in yards or meters) are not allowed to enter that SAME STROKE & DISTANCE in this meet.** (e.g., 10 & U qualified to compete in Age Group State in the 100 Back may not swim the 100 Back in the 10 & U, 12 & U, 14 & U or Open age groups.) **Eligibility Clarification:** If an eleven-year-old swimmer, who has achieved the ISI eleven-year-old state cut, turns twelve after the Divisional meet and before Age Group Championships and does not have the twelve year-old state cut, this swimmer would be eligible to participate in 12 & Under events at the Divisional Championships or the next appropriate age category where the time standard has been achieved. The same would apply for 9 & Unders, and 13 year olds. Any 10, 12, or 14 year old swimmers with the state cut in an event must compete in the next appropriate age category if they age up between the Divisional meet and Age Group State.

ENTRY LIMITS

- Swimmers may enter an unlimited number of events.
- Must scratch down to 6 events for the entire meet plus relays according to the scratch rules and deadlines.
- No more than 3 individual events per day, including time trials, are allowed.

ENTRY FEES

- \$ 22.00 per swimmer surcharge – this includes relay only alternates
- \$ 7.00 per individual event entry
- \$ 8.00 per relay entry

The total amount of all fees due, including any fines incurred due to late entry for **all** swimmers and events entered, **shall be tendered no later than one hour prior to the start of the first session in which the team/athlete is competing** or the entire team will be scratched from the meet. Responsibility lies with the entering team to make sure payment is tendered to the host in a timely fashion.

The Summary of Entries form can either be emailed or included with payment.

No refunds shall be issued for events scratched after the entry deadline.

ENTRY DEADLINE / ASSOCIATED DATES

It is the responsibility of the entering team/unattached swimmer to heed deadlines and be responsible for the accuracy of team entries. Teams should ensure they have the current version of Team Manager/Unify, downloaded the meet set-up file from Indiana Swimming, and software is set to **not** convert times. Always submit a complete entry file to host, not just a file of the modifications.

Prior to running an eligibility report or entering athletes in Team Manager/Unify, the boxes in Meet set-up/Eligibility rules “enforce qualifying times” and “swimmer must meet slower than Q time in all courses,” must be checked. NT is only permitted for relays.

Please include with the entry, the names of all the relay swimmers plus any/all alternates' names, USA SWIMMING numbers, and ages.

- **Friday, February 23 by 11:59 pm (Eastern)**
All Entries due via the mandatory Online Entry Form located at www.inswimming.org. An entry **MUST** be submitted by the Friday deadline. Entries after this date will be considered late. The only exception is a team/unattached swimmer who achieved a qualifying time between the Friday entry deadline and the Monday exception/modification deadline.
- **Saturday, February 24 by 11:59 pm (Eastern)**
Host will send a Final Entry Report and Exception report (if any) back to entering team/unattached swimmer via e-mail. Relay times cannot be run against time standards in Meet Manager, and thus will not appear in an Exception report. The entering team should check relay times prior to submission for accuracy. Relays entered at a NT after Modification deadline will be seeded last. A custom time may be used for relays to enter below a “best time.”
- **Monday, February 26 by 11:59 pm (Eastern)**
Entering teams must address their exceptions. Changes made after Friday entry deadline and before the Monday exception/modification deadline may include additions, deletions, and corrections to the existing (submitted) team entry, including relays.

Note: Exception Reports do not include Proof of Time verification. See section below on Verification/Proof of Time.

LATE ENTRY

ANY entries/modifications received after the Monday, February 26 - 11:59 pm will be subject to the late entry fees. For a swimmer already in the meet this includes a single opportunity to change any entry time for a missed event, to switch events, or alter an existing entry time. **THESE CHANGES ALL REQUIRE A PROOF OF TIME TO BE SUBMITTED.** A team/unattached swimmer entered late may not make a change after entry. **Refer to Individual and Relay Seeding for additional late entry information.**

Teams/unattached swimmers, **including relay only swimmers**, which neglected to enter an event(s) by Friday, February 23 -11:59 pm can enter up to one hour before the start of the meet. These late teams/unattached swimmers will be assessed a one-time \$100 Late Entry Fee plus \$14 per individual event, and \$16 per relay. **CHANGES TO INDIVIDUAL EVENTS REQUIRE A PROOF OF TIME TO BE SUBMITTED.**

VERIFICATION / PROOF OF TIME

Indiana Swimming will verify all entries via SWIMS after the entry deadline. Any entry that does not have a time under the cut within the qualifying period will be included on a proof needed list. **Times submitted may not be faster than provable.** The list of proofs needed will be posted on the Indiana Swimming Website no later than **Wednesday, preceding the meet** by 5:00 pm (Eastern Time). **Teams will have to provide proof of time to ISI offices by Thursday - 5 pm OR at the meet to the Meet Referee or his/her designee prior to applicable scratch deadlines for the event(s) or the swimmer will be scratched.**

All proofs submitted to ISI, including those from Non-USA Swimming Meets, should use the PROOF submission form located on the championship web page. Swimmers' names must be circled or highlighted on results.

Acceptable verifications are official results in PDF form from:

- USA Swimming sanctioned or approved meets;
- College, High School, Junior High, YWCA or YMCA meets sanctioned by their respective governing organizations;
- Websites (provided host address is printed on the copy);
- Meet Mobile or Live Results with visible meet and date headers;
- Verification slips, time cards, timing system tapes or photocopies of such which are referee signed and dated.
- Official results from USA Swimming meets must be printed with either host team's name or IUPUI Natatorium on each page.

A submitted entry time that cannot be proven by proof /scratch deadline for the event will result in a swimmer's seed time reverting to the fastest qualifying time recorded in SWIMS for the qualifying period. If no qualifying time is available in SWIMS, and no proof is brought by event scratch deadline, then the swimmer will be scratched from the event.

TIME STANDARDS

Times must have been achieved from March 3, 2023 thru late entry deadline Friday, March 1, 2024.

MEET FORMAT, CONDUCT & PROCEDURES

WARM-UP PROCEDURE/ TIME SCHEDULE

- ***WARM UP STRUCTURE, LANE ASSIGNMENTS AND OR SPLIT SCHEDULES WILL BE MADE AND POSTED ONCE ATHLETE NUMBERS ARE FINALIZED.**
- **Warm-up and Session Start Times may be modified** based on site specifics, athlete number, and extenuating circumstances. Changes will be conveyed to area teams by noon on Wednesday and posted on the ISI website.
- ALL TIMES are LOCAL TIME
- NOTE: Marshals will be monitoring and enforcing warm-up procedures.

MEET FORMAT

This meet will be run in Modified Championship Meet Format with preliminaries, consolation finals, and finals for the 12 & U, 14 & U and Open age groups. **All relay** events will be conducted as **timed finals and** will swim during the preliminary session.

The distance 1650 Freestyle will be swum on a timed final basis with only the fastest seeded heat, **top 8 submitted times not indicating a prelim swim**, to swim in finals. The balance of the heats is to be held in preliminaries, swimming fastest to slowest. The event will be swum as a COMBINED timed final event (14 & U and Open) and will be awarded as 14 & Under and 15 & Over.

Ten lanes will be used on Friday and during preliminary competition Saturday and Sunday. **Eight lanes** will be used for Saturday and Sunday 10 & under sessions and final sessions.

Fly-over starts will only be used in the preliminary sessions if necessitated by timeline.

Distance event swimmers must provide their own lap counter. Lap counters that do not have deck access via their coach card or athlete status will not be allowed on deck until 15 minutes prior to the distance event start time(s) and must exit the deck immediately following the swim. These counters must sign in and out at the deck entrance security table.

Courtesy rest, 12-15 minutes timed between the athlete’s heats, not events, shall be given for swimmers in consecutive events. It is the responsibility of the coach or swimmer to notify the meet referee of a swimmer’s situation PRIOR TO the swimmer’s first event regarding the courtesy.

PRE-SCRATCH TIMELINES

Pre-scratch timelines for preliminary sessions will be available and shall be posted on Indiana Swimming website, on the Wednesday prior to the meet. Timelines posted are only approximations to be used only for general planning purposes. The actual meet session timelines may vary from what is posted. Athletes and coaches are responsible to adhere to all meet deadlines and competition/event starting times.

PRE-SCRATCH TIMED FINALS and RELAYS PRELIMS PSYCH SHEET

A pre-scratch prelims psych sheet for all timed final and relay events (not including 10 & Under Events). This shall be posted on Indiana Swimming website, on the Wednesday prior to the meet. This is to be used for planning purposes, as scratches will alter the final seeding.

COACH SCRATCH BOX RESPONSIBILITY

All scratches for individual and relay events must be made at the Scratch Table by:

Friday Timed Finals	1 hour prior to start of Friday Finals
Saturday Prelims	30 minutes after start of Friday Finals
Saturday 10 & U	1 hour prior to start of 10 & U session Saturday
Sunday Prelims	30 minutes after start of Saturday Finals
Sunday 10 & U	1 hour prior to start of 10 & U session Sunday

Coaches must sign their names on the scratch forms. The money for scratched events is NOT refundable.

OVER ENTRIES

Failure to scratch by appropriate deadlines will result in swimmer being entered in consecutive events, beginning with the first until the maximum has been attained and scratched from all remaining events.

A copy of the seeded heat sheet after scratches shall be posted before warm-ups for Saturday and Sunday prelims.

SEEDING OF EVENTS

Seeding order: Short Course Yards - Long Course Meters - Short Course Meters (Y-L-S). No entry times will or should be converted for seeding.

In individual events other than the 1650, the swimmer is assumed to be swimming unless he/she has been scratched.

Per USA Swimming rule 207.11.7, **entrants in the 1650 Freestyle must check in at the Clerk of Course and confirm their intention to compete** before the scratch deadline for the event in order to be seeded. **During check-in for distance, entrants may designate a preference to swim the event during prelims by**

Hosted by Sugar Creek Swim Club

marking an AM next to their name. Individuals failing to check-in may present themselves to the Meet Referee or his/her designee requesting to swim, and may be placed only as there are existing open lanes in the slowest heat per gender.

All relays will be swum as timed finals in the Prelim sessions with the exception of the 10 & Under events.

After the Psych Sheet is published to the ISI website on Wednesday prior to the start of the meet, any swimmer or relay entering as a late entry shall not be seeded in the top eight of the entered event. The swimmer or relay will be seeded by their entry time, but no higher than 9th place.

SCRATCH PROCEDURES – INDIVIDUAL EVENTS

National scratch procedures, USA Swimming rule 207.11.6, will be observed. Additions and modifications are noted below.

Preliminary Heats

In all events where preliminary heats are necessary, **or in any timed final event, excluding 10 & Under**, after the heats have been seeded, any swimmer who fails to compete in an individual event heat in which they are entered and have not been scratched in accordance to the above deadline **will be barred from all further individual events of that day.** (NOTE: This does not bar an individual who has qualified earlier in the session for a Consolation or Final from swimming in that Final.) The application of this penalty shall pertain to the order in which the event/heats are swum, not the numerical order of the events.

Additionally, that swimmer shall be scratched from any individual events on succeeding days unless that swimmer or the swimmer's coach declares the swimmer's intent to swim prior to the close of the scratch box for that day's events, or within 30 minutes of the missed event.

Failure to Scratch from Consolations, and Finals

- SUNDAY ONLY: No-shows or not scratching according to the rules by the appropriate deadlines (Exceptions for failure to compete - B), for original/initial consolation finals or finals will result in a \$50 fine per swimmer regardless of the number of events missed that finals session. The fine shall be assessed to the swimmer. Host team will forward violations to the ISI office. ISI office will notify violators and collect fines. ISI office will send \$25 per fine collected back to host team.
- A. Any swimmer qualifying for the original consolation final or final in an individual event who fails to compete in said final shall be barred from further competition for the remainder of the meet except as noted in "Exceptions" below. A declared false start 101.1.3E or deliberate delay of meet 101.1.5 is NOT permitted and will be regarded as a failure to compete. In the event of withdrawal or barring of a swimmer from competition, the Referee shall fill the consolation final or final when possible with the next qualified swimmer(s). Any potential alternate for finals must report to the Deck Referee or Starter prior to the applicable event. There will be no announcements made to fill the heat.
- B. First and second alternates shall be announced along with the final qualifiers. These alternates shall not be penalized if unavailable to compete in the finals.
- C. Where consolation finals have not yet been swum and a barring or withdrawal is known to the Referee, the Referee shall re-seed the consolation final and the final, if necessary, to

insert the alternate(s) in appropriate lane(s), filling all lanes in the final.

- D. If the consolation final has already been contested, the final shall be swum without re-seeding for the empty lane(s).

Exceptions for failure to compete:

No penalty shall apply for failure to withdraw or compete in an individual event if:

- A. The Referee must be notified prior to the start of the event of illness or injury and accepts the proof thereof.
- B. A swimmer qualifying for a consolation final or final race following the preliminaries notifies the Administrative Referee within thirty (30) minutes after announcement of the qualifiers for that final race that he may not intend to compete and further declares his final intentions within 30 minutes following his last individual preliminary event.
- C. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.

RELAYS

Entry Forms

If a swimmer is only on a relay and not competing in individual events, they MUST be on the team entry report. No swimmer will be allowed to swim unless his/her name is on the entry report.

Relay Time Standards

No Time Standard is available. Teams must be entered slower than the state qualifying time. **This may be accomplished by entering a custom time.** Relays entered with a NT after Modification deadline will be seeded last. Relays entered faster than the state standard after Modification deadline will be moved to an NT and seeded last. All relay only swimmers must be included on the entry or they will not be permitted to swim.

Relay Cards

All relay cards will be submitted to the Administrative Referee no later than one hour before the relay is scheduled to swim for the 11-12, 13-14, 15-18 age groups. Relay cards for the 10 & U age group are due at the start of session. Submitted relay cards are to include the full names of the swimmers intending to swim and shall be listed in the order that they will be swimming.

AWARDS

INDIVIDUAL EVENTS: Medals for 1st-8th/Ribbons for 9th-16th
RELAY EVENTS: Medals for 1st-8th

Awards ceremonies shall be conducted in a manner that does not excessively delay the meet. An Awards Schedule will be printed in the Finals Heat Sheets. Relay awards for the 11-12, 13-14 and 15-18 age groups will be presented during the morning distance events.

Ribbons and any unclaimed medals can be picked up in the awards area. If there are any unclaimed swimmer awards at the end of the meet, the host will send them to the Indiana Swimming office.
