▪ **MANDATORY CLINIC:**

There will be a mandatory clinic for all swimmers and coaches held before competition begins to discuss the course, rules, and safety procedures. Swimmers not attending the clinic or who are inattentive to the race procedures presented during the clinic will not be allowed to participate in the race. The Meet Referee has sole discretion to prevent swimmers from competing. Following the safety briefing, role call will be taken and the athletes will move to their race starting position. Swimmers will report directly from the clinic to the race, so they should bring everything necessary to the clinic with them.

- **MEET CONDUCT: Rules, Relays, Scoring & Awards:** Will be available in the final sanctioned meet announcement.
