

CENTRAL ZONE BOARD OF REVIEW

As of January 1, 2015, USA Swimming has created a new process of receiving complaints within the Central Zone about a member or club connected with Indiana Swimming. Depending on the complaint and the aspects surrounding it, Board of Review inquiries can be made to any one of three boards: National Board of Review, Central Zone Board of Review, or to an LSC Administrative Review Board (if the LSC has adopted that format). Each Board will have a specific area(s) of responsibility.

Below are some links to assist you regarding questions you may have regarding this process and to whom your inquiries should be addressed.

Central Zone Board of Review:

National, Zone and LSC Administrative Review Board Areas of Responsibility:
