

Registration Categories (2024)

Basic Premises:

1) Membership Upgrades allowed: Athlete Flex and Athlete Season 1 memberships may be upgraded to a premium athlete membership. Re-register for the new membership category and pay the difference between the Premium membership and the Flex or Season 1 USA Swimming Fees plus the LSC fee.

2) For all Dual Memberships (Athlete and non-athlete, all types) you will only pay for one membership fee. The two memberships must be within the same membership year. The least expensive membership is the fee that is waived. So the USA Swimming fee would be the difference between the two fees. You also pay the LSC fee for the 2nd membership.
