	<b>Subject:</b>  Volunteer Timers	<b>EFFECTIVE DATE:</b>  Approved: 10/1/1998 Amended: 2/18/2025 Retired:

### **In-Season Meets**

At all MNSI sanctioned and approved meets, visiting clubs will provide timers as necessary for the duration of the competition. The meet will not begin until the timing needs have been met. The host club may not place requirements on any individual team to participate at any specific level.

### **LSC Championship Meets**

At all MNSI LSC championship meets (MACs, MRCs, Age Group State, Senior State, all other LSC championship meets) hosted by a club, visiting clubs will provide timers as necessary for the duration of the competition. Two timers per lane, each operating a stopwatch and a backup button, are preferred. The meet will not begin until the timing needs have been met. The host club may not place requirements on any individual team to participate at any specific level.

At all MNSI LSC championship meets for which MNSI is the host, MNSI may place requirements on participating teams to provide timers for specific sessions or all sessions, proportional to the number of athletes each team has competing in the session.
