

WICHITA SWIM CLUB

Performance Swimwear Policy

PURPOSE

In establishing the WSC Swimwear Policy, the coaching staff aims to accomplish four objectives:

- Maintain our philosophy of preparing our athletes to compete at the next level of competition.
- Allow our swimmers to be competitive at their most important meet(s) of the season.
- Protect our WSC families from unnecessary costs when purchasing competition swimwear.
- Arrive at meets looking like a team.

There are several factors that determine the type of suits our WSC swimmers will wear during competition, including the swimmer's age, physical development, swimming efficiency; the type, level, and timing of competition; and, finally, the fabric, fit, silhouette, and cost of the swimwear. For most of the season, the standard WSC team suit will be the suit of choice. Any deviance from this would be a direct result of a specific coaches' decision for a specific swimmer.

WSC IS SPONSORED BY SPEEDO

Please remember that Wichita Swim Club is a Speedo-exclusive club, meaning that our swimmers may not wear any swimwear that bears the logo or insignia of another swimwear company (i.e. TYR, Arena, etc.)

REGULAR SEASON COMPETITION

- All swimmers are required to wear the WSC team suits at regular season meets.

CHAMPIONSHIP MEETS

- Below are the competitive options that are acceptable for each age group for *championship level* meets in addition to the WSC Team Suit.
