 - Changes for 2013
 - i. Awards were handed out (Medals 1-3); (Ribbons 4-16). Awards presentation for top 3 only, helps cut down wait time to assemble winners.
 - ii. “D” Heat – To promote the 15-16 yr old athletes just moving up from Age Group. Gives them opportunity to make it back to finals. Should the D Heat be 16 & under vs. 15-16?
ACTION ITEM: Jason to look at past meets to determine what D Heat standard will be. 2013 Summer Senior Meet will continue as 15-16 D Final. Spring 2014 senior meet for possible standard to be created? Also look at C Heat for 18 & under breakout.

Sectional Meets: There is a rumor that all sectional meet across the country will have standardized time standards. No official word on this yet. Times standards would be 5% slower than Jr Nationals. Subscription would be maximum 800 athletes. If subscription exceeds 800, then sectional meet would be divided within that zone.

3. Senior Circuit Meets: Funding has expired for the meets through summer 2013. Funding is \$1500 per session currently. Using OME for the meet for IEs. GCST Creekside Meet senior participants compete with the Senior Circuit participants in the same prelim session. The Creekside senior events are Timed Finals events and are not eligible for Finals at the Circuit meet. Cuts for the Senior Circuit will remain the same in the future. As long as money is there, the LSC will continue to support the Senior Circuit Meet.

ACTION ITEM: Jason and Ed to look into inviting out-of-LSC teams to attend.

ACTION ITEM: Jason to look into adding a Senior Circuit meet to the SC schedule. November timeframe? Also possibly look into a meet currently on the schedule and turn it into a SC Senior Circuit Meet.

4. Summer Senior Champs Meet book will be ready soon.
5. Athlete Recognition: LSC needs to look into a recognition program. This is a LEAP 2 requirement. JO meet has award recognition already, which can be used for the Age Group Recognition. Need to find something for seniors. Can we do a scholarship opportunity? Patrick Cassidy to look into a Virtual Trophy Case.

ACTION ITEM: Set up a committee to look into LSC athlete recognition.

6. Senior Coaches Ideas:
 - a. Coaching Roundtable – not looked into yet
 - b. College Prep Meeting - tbd
