### **Important 2026 Changes:**

The State meet is changing event numbers to be readily identifiable to swimmers. D2 events through all levels of the post season will be 201 through 224. PLEASE use one of the provided event files to make your entries.

PARA entries will begin at the Sectional level to make swimmer input simpler. While para swimmers will not compete at Sectionals, we will advance them to the district meet electronically. These 900 series events need to match for para entries to be placed into the proper event.

**Eligibility:** All participants must be eligible under the rules of the OHSAA.

Coaches/representatives should read and understand the regulations for swimming meets as presented at the mandatory rules interpretation meeting and as presented on the [www.ohsaa.org](http://www.ohsaa.org) website. Coaches are responsible for reading and understanding the 2025-2026 NFHS Swimming & Diving Rules for championship swimming.

**The Sectional Meet will be for swimming competition only.** All District diving competition will be separate. See CDAB.org for complete diving meet information. **If an individual is diving, that individual must be included in the submitted entry file and may only be entered and compete in a maximum of one (1) individual swimming event at the Sectional Meet.**

NOTE: Once entries have been submitted, Coaches have until **Sunday, February 8 at 5:00 pm** to add or withdraw entries. Any additions/withdraws after the deadlines will require a \$150 fine and approval from the OHSAA.

**No changes to the entries for any school shall be permitted after the posting of the first psych sheet on February 10, 2026 at 6:00pm** with the exception of students who must be withdrawn due to medical reasons verified by a physician. A substitute may replace the injured/ill athlete provided the substitute is listed on the eligibility certificate, has not exceeded the entry limitations as prescribed by NFHS rules and is submitted to the tournament manager NO LATER THAN 7:00 AM of the first day of sectional competition. After that time, no substitutions will be accepted. It is not permissible to replace the injured/ill student with a student who has already been entered into the tournament in two individual events.

A school that actually competes in at least two (2) interscholastic meets, as a school team prior to the non-interscholastic cutoff date of **January 26, 2026** is eligible for relay event entry at the Sectional/District Tournament regardless of the number of individuals entered and competing.

**Entry Limits:** Each School shall be permitted four (4) entries in each individual event and one (1) entry in each relay event. Entry cut-off times will not be used.

An individual may be entered in no more than two (2) individual events. At the coaches meeting, no additions/substitutions shall be made. Diving counts as one of the individual events.

An individual shall be permitted to participate in a maximum of four (4) events, no more than two (2) of which shall be individual events.

In relay events (entrants established at the meet), eight (8) individuals may be listed as entrants; any four (4) may participate. Certification in the relay shall not count as an entry unless the individual actually competes in the event. These eight (8) contestants may be changed at each level of tournament competition provided participation limitations are not exceeded.

**Entries:** **All entries must be submitted electronically by 5:00 pm on Sunday, February 8, 2026. Swimming entries for BOYS' events must be e-mailed to:**  
**[pbirnbrich@gmail.com](mailto:pbirnbrich@gmail.com)**

The entry process for the 2026 Sectional Tournament requires electronic entries. The computer software of choice is the Hy-Tek Team Manager Program. If you have not purchased the electronic software, visit the Hy-Tek website:  
<https://hytek.active.com/swimming-software.html>.

Coaches have already received an information sheet with instructions about the electronic entry system at the mandatory interpretation meeting. This information is also posted on the OHSAA web site at [www.ohsaa.org](http://www.ohsaa.org). Tournament event files are located on the OHSAA web site. Schools will download the appropriate tournament event file based on the Boys Division or Girls Division.

All competitors must be listed in the events the competitor will be swimming. Additions/deletions/changes will not be made after February 8, 2026.

**All entries must be entered with the school's OHSAA code. The school code is found on the [www.ohsaa.org](http://www.ohsaa.org) site, and on the Sectional page for 2026.**

<https://www.ohsaa.org/sports/swimming/codelist>

When submitting your entries, **DO NOT USE** team nicknames, such as Tigers, Raiders, Celtics, etc. for your school's "Full Team Name" or "Short Team Name" in Team Manager. Use a shortened version of the school's name. For example, Delaware Hayes High School can be shortened to Hayes.

Entry times must be listed in the events the competitor will be swimming. If a competitor or relay does not have an entry time, they shall be entered with a "no time" (NT) designation.

Do not use any "nicknames".

Use FR, SO, JR, SR for the grade level. Grade level is required for all athletes entered in the meet. Do not use "Freshman", "Sophomore", "Junior", "Senior" or "9", "10", "11", "12".

You do **not** need to enter athlete names into your RELAYS, but you may do so. If you enter relay names, they will appear in Meet Mobile in the initial psych sheet. You may identify the relay entrants and alternates at the Sectional coaches meeting. However, if you have an athlete ONLY competing in a relay, please add their name to one of your relays so that the athlete information loads into the Sectional database (which is also used for Team Athlete lists used to enter the facility).

Enter a separate file for the girls' entries and a separate file for the boys' entries.

If you want your USA Swimmers' times from the tournament meets to count, please include their accurate first name, last name, date of birth and USA ID with their entry.

Please include the deck-eligible coaches for your team in your entry email.

Failure to have the entries to the meet director on the stated date and time will result in the school and its competitors being disqualified from further tournament competition. **The deadline is SUNDAY, February 8, 2026 at 5:00 pm for the electronic Swimming (& Diving) entries.**

**Facility:** The Columbus Academy pool consists of 6 lanes of 25-yards with Daktronics timing and electronic scoreboard. We will use all lanes for warm-ups.

**Team Representatives & Their Admission:**

The official coach/school representative must always be with their team/swimmer(s). This includes the entire warm-up period and all competition. If it is determined that the coach/representative is not in attendance at any time, the team and all the swimmers shall be disqualified from further competition.

Coaches/representatives are to pick up admission passes at the main entrance to their respective natatorium. Competitors will be admitted to the warm-up session only upon presentation of these passes. Only the designated coach will be permitted to receive the competitor's passes. Non-competing team members, cheerleaders, timers, stats, etc. must purchase tickets for admission to the meet.

**The admission price is \$10 for adults and \$5 for students.**

Online ticketing information will be at <https://www.ohsaa.org/tickets>. Tickets typically go on sale by Monday evening the week of competition. **No tickets will be sold at the meet.**

Expect schools to receive codes to distribute for initial ticket sales. The remaining tickets go on sale 24 hours before the start of competition.

Personally owned chairs are not allowed on the pool deck.
