The screenshot shows the homepage of the Dayton Raiders Swim Club. The page has a dark green header with the club name and several logos including USA Swimming, Ohio Swimming, Level 4 Club Record, and USA Silver Medal Club. Below the header is a green navigation menu with tabs for Home, Info, Groups, Practices, Calendar, Meets, Involvement, Resources, Board, Team Records, and Programs. A red box highlights this menu. To the left of the main content is a vertical sidebar with a yellow border containing links for Sign Out, System, My Account, Team Admin (with sub-links for Team Profile, Registration Admin, Website Design, Account/Member Admin, E-Mail Center, and Documents/Images), Billing Admin, and Contact Us. A yellow box highlights this sidebar. A light blue arrow labeled 'Password' points to a 'Password' link in the top right corner of the header, which is circled in red. Another light blue arrow labeled 'Menu Bar' points to the green navigation menu. A third light blue arrow labeled 'Tabs' points to the sidebar. The main content area features a large photo of swimmers with the text 'Join this Fall' and a green arrow pointing right with the text 'Go Here -->'. Homepage

- The latest news, recent updates to the website, and daily/weekly “FYI” info will be posted in the **News & Announcements** area of the homepage.
- Major events, such as swim meets, are shown in the **Upcoming Events** area on the homepage. You can sign up for meets or volunteer jobs associated with those meets directly from here, so long as the deadline has not passed.
- Both of these areas, along with most menu headings, are public viewing for anyone visiting the site.

Registration Deadline has passed.

Meet Entry

- * Once the meet entry deadline has passed, coaches will review the entries, make any corrections, set up draft relays, “approve” the events, then submit the entries to the host team for processing. A team entry report will be posted to the meet homepage (the report link is shown at the bottom of every meet homepage).
- * Meet entries are billed on your invoices.
 - * Once the entries have been submitted to the meet host by the team, charges will appear on your invoices.

Job Sign Ups

- * If there are job signups for a meet, there will be a “Job Signup” icon next to the “Attend This Event” icon. To sign up click on it.
- * Scroll to the job you wish to sign up for
- * Follow the instructions listed at the top of the page to sign up.
- * As with the meet entry, there is a deadline to signup. Usually this will be the day before the meet.

Meet Results

- * Once a meet has passed, the swim meet homepage will move over to the Past & Archived Tab
- * Following the completion of a meet, a link to the host team's results will be linked to our website; in some cases, the actual results will be posted on our website.
- * Top times are updated in Team Unify and your times will be updated when you click on the **My Meet Results** tab.

The screenshot shows the Ohio Swimming website interface. At the top, there is a banner for "OHIO SWIMMING" with a "RAIDERS" logo and a photo of a swimmer. Below the banner is a navigation menu with tabs: "Swim Meets", "Monthly Calendar", "Team Involvement", "Resources", "Board", and "Other Programs". The "Swim Meets" section is active, displaying a sub-menu with "Current & Upcoming" and "Past & Archived" tabs. The "Past & Archived" tab is selected, showing a list of four past meet events, each with a checkbox and a link to the meet results.
