Each applicant must submit the following:

 - b. Two active board members, the members may not be related to any of the applicants

The chairperson will send a second all-team reminder email the second week of January containing the same information.

 - 4) The chairperson will review every application upon receipt for completeness and confirm receipt of the application. By the second Monday in February, the chairperson will compile and email all applications to the members of the scholarship committee for independent review.
 - 5) The chairperson will schedule one in-person committee meeting to determine the scholarship recipient. The award recipient will be determined by the Friday prior to the start of the South Dakota Short Course Championship.
 - a. Preference is not accorded to those planning on swimming competitively in college. The intent of the scholars is character/merit based; the applicant's swimming ability/times or financial need will not be considered.

 - a. All applicants will be notified of the scholarship committee's final decision by a member of the scholarship committee.
 - b. The chairperson will then send an all-team email congratulations to the scholarship recipient.
 - 7) Dispensing the monetary award:
 - a. The chairperson will email (cc board treasurer) the scholarship recipient and their parents/family. This email will: 1) notify the recipient that the monetary award will be sent directly to their chosen college, 2) instruct the recipient to notify the chairperson and board treasurer once they have accepted admission into a college, 3) notify the recipient it is their responsibility upon enrollment to determine their college's procedure for accepting scholarship monies on behalf of the student and then relay the details (address, student account number, procedure) to the chairperson and board treasurer.
 - b. The board treasurer will complete the scholarship money transfer to the recipient's college - likely in August of that year.
