Restart the Athlete Committee/ Create Email – Brady

Athlete Delegate's Meeting Minutes

Wednesday, May 4, 2022

7 PM

A goal that came from the USA Swimming Workshop in Denver was to restart the Athlete Committee with LSC Athlete Representatives and Club Representatives. Brady is going to take the lead on this and create an email to go to coaches to get better information on club representatives, to ask for 1-2 athlete representatives for each team that are sophomores, going into their junior year. The group will also use information to create a groupme. Brady hopes to have this completed in two weeks.

Workshop Goal- Big Fish/ Little Fish mini meet – Bailey

This was also a goal that came from the USA Swimming workshop in Denver.

Offer a mini/ fun meet at two locations. Have the Senior athletes work with the age group athletes at the meet. The athletes would like to bring a mentorship and safe sport component to the meet. Bailey is going to work on a google form survey to send to coaches, parents and 13&O athletes. This will ask for interest in participation from both senior athletes and age group families.

Anakin was going to talk to Express about pool connections for the Milwaukee location. Other location for this year will likely be Madison. Timeline- two weeks, something should be put together and sent out.

Social Media Coverage- Lucy

Lucy highlighted that May is Brady, June is Ryan, July is Lucy and we can split August and September with Keegan and Anakin. Do either of you have a preference of the month you would like to cover? We also need to push the Senior Post reminders on social media so we can put together something nice to highlight them.

Report for Board of Directors May Meeting May 24 at 7PM - Bailey & Brady

Bailey and Brady will put together a report for the Board of Directors Meeting on May 24. All athlete representatives are encouraged to attend the meeting.

Meeting Minutes – Angela and Jeanne

Moving forward, we will be taking meeting minutes and posting them on the meetings page of the website.
