

Wisconsin Athlete Meeting 6/5/24

1. Call to order

2. Ideas we have had:

- athlete/ parent shirts. we can design them and open a store?: **Zones shirt design out there already. Maybe this is a possibility to use? Otherwise putting together another design**
- social media team spotlights (asking a coach 5 basic questions and also extending that to 2 of their swimmers and making an instagram post about it?) **Start with our own coaches. Maybe post one or two a week. Putting together a google form in our bio and posting things to encourage coaches to fill it out.**

3. Review any further information about the Athlete Summit :

Slideshow with packing requirements, athlete lesion information, expectations and guidelines, transportation, venues, itinerary.

4. Olympic Trials Athlete Recognition: **29 olympic trial qualifiers. 6 athletes with specific, non-college clubs. The other 23 are either college athletes or adult athletes.**
