Topic	Notes & Things to Remember	Action Items
Relay only swimmers	Do we standardize all meets to have the same number of relay only swimmers? -All meets are only 1 qualifier needed + relay only swimmers except for senior state...do we switch? All to 1+3 or 2+2. -Will not add too many swimmers to the senior meet	Michael makes a motion for all meets to go to 1+3 format. Jacob seconds. Motion passes unanimously
State meets	-Deck access-all swimmers competing in the meet are allowed on the pool deck-with their deck pass (not limited to their session) - option for host team to adjust if needed -Tech planning committee recommends a later start time for Saturday of SAS -SAS and 10 and U state rotate starting gender on a yearly basis. Boys on odd years, girls on even years (clarification) -Do we add a C heat (unscored) in the future for 13-14? See how the timeline goes this year, and adjust if it seems like a popular change	11-14 state-changing the 13-14 distance events to be earlier in the session for finals
