Ballot information for: 2024 SCY Awards

A. 2023-2024 SC 10&U Female Swimmer of the Year

1. Evyn Cain

Auto-nomination: Highpoint Winner

Submission:

As a WYNS parent and volunteer, I am thrilled to nominate Evyn Cain, an extraordinary 10-year-old swimming athlete, for her exceptional accomplishments and contributions to the sport of

swimming. Evyn's talent, dedication, and remarkable sportsmanship set her apart as a shining example in the swimming community.

Evyn's journey in swimming is marked by numerous first-place finishes. Notably, she recently clinched five 1st place finishes at the YMCA WI/UP State Meet and her outstanding performance at the Wisconsin USA State Championship Meet earned her the prestigious title of 1st place High-Point female swimmer, solidifying her status as one of the most talented and accomplished young athletes in the state. Evyn's prowess in the pool is unmistakable, as she consistently showcases unparalleled skill, unwavering determination, and a thirst for excellence.

While Evyn's talent in the water is undeniable, what truly distinguishes her from others is her remarkable sportsmanship and positive attitude. At the tender age of 10, Evyn displays a level of maturity beyond her years, both in and out of the pool. Her genuine respect and empathy for her fellow competitors shine through in every interaction. Evyn's acts of sportsmanship are truly inspiring. Regardless of another swimmer's age or skill level, she is always the first to offer congratulations and support. Whether it's celebrating a great swim or lending a helping hand to a struggling swimmer, Evyn's kindness and generosity of spirit exemplify the true essence of sportsmanship.

It is without hesitation that I recommend Ms. Evyn Cain as the recipient of the 10 and under female swimmer of the year award. Evyn's presence enriches our swimming community and her exceptional accomplishments in the pool are matched only by her unwavering positive attitude and genuine concern for others. Needless to say, the future holds boundless opportunities for Evyn as she continues to evolve both as a swimmer and as an individual. It will be nothing short of thrilling to witness her continued growth and triumphs in the years to come.

3. Caleb Hernday

Team: Schroeder Swim and Dive (SSTY)

Auto-nomination: Team Champs: 13-14 girls

Submission: Caleb is so kind, passionate and welcoming. He made my kids feel like part of the team from day 1. I recognized his voice on the phone immediately because of his cheering that I've heard on deck for years. His never ending energy, positivity and excitement for the sport keeps the kids excited to swim. He takes time to get to know each child, gives them a nickname, watches them swim and gives immediate feedback and helps them set goals. He follows through to help them reach for and meet those goals. Every Monday he sends motivational Monday emails and I look forward to them each week and I know I'm not the only one. There are water bottle awards at practice each Monday after a meet that mean so much to these children. Caleb was so awesome, supportive and motivating at 11-14 state that my kids said that Caleb himself should get the water bottle that week. He knew just what to say and how to say it to get my kiddo out of his head before a race and we are grateful. He makes these kids feel safe and supported not just by him but by the incredible community he fosters on deck. He teaches the Schroeder way and other life lessons at practice that are helping to shape incredible human beings. We are all so grateful to have Caleb in our everyday life! His air fist bumps along with a "yeah" make me smile every time. I've seen him jump in excitement cheering for an entire 500 free....i have no doubt that kids swam faster seeing him do that on the side. He is awesome and deserves this recognition!! Thanks for all you do Caleb!! Cellie!! Cellie!! Cellie!!

2nd Submission: I nominate Coach Caleb for Coach of the Year for a multitude of reasons. In addition to his ability to coach the mechanics of swimming to his swimmers, Caleb works to teach the children how to be better athletes, better teammates, and better sons and daughters. He emphasizes technique and fun, self-confidence and humbleness in both victory and defeat. I am frequently on deck as a ST official, so I have a unique vantage point. I am able to

see him coaching children through the highest of high victories and the saddest tears. I have seen him positively interact with nearly every coach on deck. I have seen him advocate for his swimmers when necessary.

Recently, I had the opportunity to watch him coach my daughter through her first swim-off at the 11-14 state meet. They were laughing, joking around, having a snack. This turned into a conversation about the "power pose." When she hit the water, she dominated with a huge PR ...because she was relaxed, ready, and coached well to remain calm, hold her body with confidence at the blocks, belly breathe, reflect on a previous great race and swim hard. I consider myself and my daughter incredibly fortunate to have Caleb Hernday
