- 2.2.6 Deck entries will not be accepted unless otherwise specified in the Meet Announcement. If accepted, swimmers will be seeded in the slowest heat.

2.3 Reservations

- 2.3.1 Participating teams may request an entry reservation from the Meet Host. The host may choose to accept meet entry reservations via electronic means, by mail, or by both, as specified in the Meet Announcement. Reservations cannot be postmarked or submitted electronically before:

Fall-Winter Season:

- The second Tuesday of September for LSC teams; and
- The third Tuesday of September for non-LSC teams.

Spring Summer Season:

- The second Tuesday of March for LSC teams; and
- The third Tuesday of March for non-LSC teams.

- 2.3.2. To hold any entry reservation, ~~a~~A Meet Host may require a deposit not to exceed the actual entry fee. For electronic meet entry reservations, a required deposit must be received within seven (7) days of the meet entry reservation submission date. Any entry reservation deposit may not be cashed or deposited before the meet ~~E~~entry ~~d~~Deadline specified in the sanctioned or approved Meet Announcement.

- 2.3.3. For a meet where only electronic entry reservations are accepted, the Meet Host shall determine if the meet is over-reserved at the end of the meet Entry Deadline. For a meet where non-electronic entry reservations are accepted, the Meet Host shall determine ~~if a meet is over-reserved with entries postmarked on the reservation date~~Entry Deadline, and then received within seven (7) days after the ~~reservation date~~Entry Deadline (to permit receipt of all reservations postmarked on the ~~reservation date~~Entry Deadline). , -If the Meet Host thusly determines the meet is over-reserved, the Meet Host shall reduces the reserved entries in the following manner:

- A. If the meet reserved entries exceed the entries limit by less than fifteen percent (15%), the Meet Host shall reduce each team's entries by the percent that the meet is over-reserved.
- B. If the meet reserved entries exceed the entries limit by more than fifteen percent (15%), the Meet Host shall conduct a lottery among all teams to identify team(s) whose entries are returned to the team(s), i.e., the team(s) will not participate in the meet until the entry limit is reached.
- C. If the lottery identifies a team whose entries reduce the reservations to less than the entries limit, the Meet Host may advise the team that the team may reserve the number of entries available to the entries limit. However, if that team declines to participate in the meet, the Meet Host may accept entries from another team that the lottery otherwise would have determined could not participate, until the entry limit is achieved.

- D. When a meet is over-reserved, the Meet Host must notify all teams submitting reservations of the results of either the fifteen percent (15%) reduction in entries or the results of the lottery within fourteen (14) days of the reservation date.
- 2.3.4. A Meet Host may accept, on a first come first served basis, entry reservations from clubs that reserve for all days of the Meet, except evening only sessions, not just selected days. To be considered, all days must be at least plus or minus thirty percent (30%) of any single day's entry reservations.
- 2.3.5. If accepted or required by the Meet Host, electronic entry reservations must be received by the entry deadline started in the Meet Announcement. If accepted or required by the Meet Host, non-electronic entry reservations submitted must be postmarked on the reservation date and received by the Meet Host with seven (7) days after the reservation date. Non-electronic entry Reservations must be submitted on the current LSC Meet Reservation form. If accepted or required by the Meet Host, electronic entry reservations must be submitted using an electronic method equivalent to that of the LSC Meet Reservation form, as specified in the Meet Announcement.
- 2.3.6. A Meet Host not accepting reservations until the Meet Announcement is posted must:
- A. Indicate an entry deadline in the Meet Announcement for non-LSC teams that must be a minimum of two (2) weeks after the date the Meet Announcement is posted on the LSC website. Non-LSC teams may send entries before the non-LSC entry deadline to establish priority for non-LSC teams; but these entries may not bump any Wisconsin Swimming entries received before the non-LSC entry deadline.
 - B. Reduce the number of meet entries, when entries received by the entry due date exceed the number permitted in the same manner as is required for reservations that exceed the permitted number of entries (Refer to 2.3.3 above).

2.4 Meet Host Responsibilities

- 2.4.1. The Meet Host must send the Meet Announcement to the LSC Webmaster for posting on the LSC website, www.wisconsinswimming.org, for all LSC sanctioned open meets at least twenty-one (21) days prior to the entry deadline. The Meet Host must include a Meet Event File for the purpose of importing events into Team Management software.

- 2.4.3. Seven (7) days before any sanctioned meet or approved meet, or less (as deemed by the LSC prior to a LSC Championship Meet), the Meet Host must send an .sdi file to the LSC Managing Director to ensure that all athletes entered in a sanctioned meet are current member athletes of USA Swimming. NOTE: "Electronic form" means a computer file created by meet management which may be sent by electronic mail (e-mail) or posted to a website. In cases where Meet Finals Results in electronic form are not available for any reason, printed Meet Final Results must be distributed.

- 2.4.6. Meet Host must prepare Meet Final Results as follows:
- A. Identify the meet, e.g., name, sanctioned/approved number, location, date, pool length on each page, and the pages must be numbered.
 - B. Identify teams participating by full names and locations.
 - C. Identify unattached swimmers with their LSC status, e.g., UN-WI, UN-ILL, etc.
 - D. Provide first and last names, ages, and team affiliations for all swimmers.
 - E. Provide event information in publication order by:

 - c. Listing events from shortest distance to longest distance within each stroke/event.
 - F. Treat prelim/final formats and leadoff swims as one event.
 - G. Provide first and last names of competing relay swimmers, their ages, and their order of swimming.
- 2.4.7. For LSC Championship Meets, the Meet Final Results also must include:
- A. All relay leadoff splits from an automatic timing system;
 - B. Team or individual scores, if applicable;
 - C. Time Trial results in the same format as Meet Final Results, i.e., the same order as the Meet Final Results. Mixed gender events are not acceptable for entering Time Trial Results into the USA Swimming SWIMS database.
- 2.4.8. Each participating group member is responsible for ensuring that all entered swimmers are validly registered USA Swimming athlete members for all sanctioned meets. Any swimmer who has entered the meet and is not registered as a USA Swimming athlete member may not swim in a sanctioned meet.

- 2.4.9. In addition to Meet Final Results, the Meet Host must submit the following reports for a sanctioned meet in electronic format:
- A. Meet Report to meets@wisconsinswimming.org within seven (7) days of the meet.
 - B. Meet Financial Statement to meets@wisconsinswimming.org within seven (7) days of the meet.

- 2.5.1 Meets may be designated as Championships Meets only by the LSC and no Meet Host may use the word "Championship" unless authorized to do so.
- 2.5.2 The LSC, in cooperation with the member clubs, will host or award the Championship Meets and include financial support where needed. The General Chair, Age Group Chair, and Senior Chair shall be responsible for the coordination of this meet and for establishing a format for delegation of work effort among participating clubs, where necessary.
- 2.5.3 The Meet Host must forward to the LSC Webmaster a Psych Sheet format report on the LSC website on the Tuesday preceding the start of the meet for posting on the website.

2.6 LSC Hosted Meets

- 2.6.1 The LSC may host LSC and regional championships and regional qualifying meets. Clubs entering LSC hosted meet have the duty to provide workers and may be required to forward a forfeitable deposit of \$10.00 per swimmer, but not to exceed \$250 per club for each day of the meet as mentioned in the Meet Announcement. Although the LSC will cooperate with member clubs, the LSC should not accept responsibility, except to an insignificant degree, to host a meet.
- 2.6.2 The Meet Director for LSC sponsored meets may be compensated for his/her efforts, not to exceed \$500.00. This amount is subject to approval by the House of Delegates.

2.7 Entry and Seed Times- LSC Championship Meets

- 2.7.1 Qualifying standards may be achieved by a swimmer in any meet providing the printable/viewable meet results.
- 2.7.2 All individual swimmers entered in a LSC Championship Meet must be eligible to swim in the meet. A Meet Recon report shall be generated after the entry deadline has passed. A second Meet Recon report will be run following the "new cuts" deadline as well. Swimmers and relays that do not meet the eligibility requirement shall be withdrawn from the meet. A swimmer's eligibility may be challenged at any time prior to the meet and at any time during the meet. Any swimmer who swims in the meet and is found to be ineligible will be disqualified from the meet and will forfeit all awards or points achieved. A fine of two hundred dollars (\$200) will be assessed against the Club or, if an unattached swimmer, against the swimmer.
- 2.7.3 If obvious inaccuracies occur within a particular team's entries, the LSC Chair is authorized by the LSC to fine the team.

2.7.4 Proof of Time:

- A. A swimmer, who does not swim equal to or faster than the meet qualifying time standard or is disqualified from an individual event, must prove his/her time, i.e., must provide documentation that he/she has swum at least as fast as the entry qualifying standard, or pay a fine in the amount of two hundred dollars (\$200). Non-Championship meets with qualifying times may establish other proof of time penalties or fines.
- B. Acceptable proof of time includes any printable/viewable meet results that identifies the swimmer by name, their time, the meet name, and the date on which the swimmer achieved the qualifying time.
- C. The results of a Time Trial, conducted at or in conjunction with the meet for which the proof is required, are not acceptable.
- D. A team with an unresolved proof of time must prove the time or pay the fine by the conclusion of the meet.
- E. A team owing a proof of time penalty or an unattached swimmer owing a proof of time penalty may not enter an LSC sanctioned or approved meet until the proof of time fine is paid. The Meet Director shall inform the Sanction Manager about the team or unattached swimmer owing the outstanding fine and provide contact information. The Sanction Manager shall advise the team or the unattached swimmer regarding the fine and inability to participate in another sanctioned or approved meet.

2.7.5 Disability Swimmers: For policies and information related to entries into LSC Championship Meets by disability swimmers, please refer to LSC Policy 28: Swimmers with a Disability.

2.8.4 Additional Fees: A Meet Host may levy additional fees, which shall be designated the time of submitting the Meet Bid. After the Meet Schedule has been voted on and approved at the LSC House of Delegates meeting, the Meet Host may not levy any additional fees.
