Topic	Notes	Action Items	Things to Remember
Next Meeting	Tech Planning-March 15th Coaches Forum-May 12th		
LSC Numbers Review			
Regionals Review	<i>Move Relays to Start?</i> <i>Consistent 13-14 to SR</i> <i>8&U and 10&U or Combined</i> <i>Evaluation of Win & You're In on Meet</i> Awards-13&O? Goal Numbers Format (2.5 day versus 2 day) Late additions to 10&U/11-12 events	+Move relays to start each session, followed by optional break. Approved by tech planning +Confirm in meet announcement: host has ability to add breaks for time/warmups +Allow meet hosts the flexibility to start AM warmups as they see fit. +Start with 13-14, then open on Fri/Sat/Sun Approved by tech planning -No Need for 2 day format +Deck entries to Senior/Open events only Approved by tech planning +No bagging of awards	Meet hosts should keep an unofficial tally of who isn't collecting awards
12&U SC State	Potential Event Order Changes Meet Size Implications of WAYI on OME, meet host, meet size	+Add seed time in OME for WAYI and disability in "Meet Name" +No bagging of awards +Move Friday warmup 1-2 hours earlier if possible Approved by tech planning +11-12 500 FR/1000FR

		Slow-to-Fast, No Alternating Approved by tech planning	
13&O SC State		+No bagging of awards +Event file and planning guide by December 1st for SC, May 1st for LC +All relays slow-to-fast Approved by tech planning +Distance event at end of session run fast-to-slow, alternating gender if run in one course; distance events in middle of session run slow-to-fast, no alternating gender Approved by tech planning	
Distance Event Rule	Adding a distance event to each meet	No urge from clubs to have mandatory events	
TIMELINE FOR SANCTIONING AND APPROVING MEET	officials committee is now suggesting that all meets be sanctioned or approved 21 days prior to the start of the meet. Never any policy on this but there is a fine for this? Weird.		
KEEPER OF TIME STANDARDS	Who should be responsible for keeping and maintaining Time Standard file?	+JD recommends that the tech planning chair should be responsible for maintaining an accurate time standard file. +Records chair would maintain records file	
HS OBSERVED MEETS	Old system is antiquated. Converting over to obtaining meet backups and then loading into SWIMS. Time	We need a WIAA contact! Relay leadoffs would still require C2

	consuming but doable.	forms. We will need to notify clubs when times have been uploaded to cross-reference.	
Hall of Fame		Compile a list of all potential candidates. It could work as a ballot going forward.	

All Tech Planning votes/notes/developments after Coaches Forum added in red

Coronavirus	WSAC is working through the steps to allow some limited access for up to 32 swimmers at a time, during non-team hours. Some school districts are at a 4 week MINIMUM break. Board will look into canceling the banquet portion of the April weekend, and will decide within the next 10 days about the format of the HOD/BOD meetings. Cancel the 2020 Hall of Fame class HoF committee will look at some of the selection criteria and policy details If we get a condensed season: do we run a timed finals meet? Move the schedule back?
