	SR a week earlier would help HS boys coming from WIAA state better, allowing for better Sect/NCSA meet. 10U 10U meet could be expanded, potentially going single age. We could slow time standards 11-14 11-12s would swim a hybrid TF/PF meet with 50s/100s of all strokes, 200FR, 200IM PF and all other events Timed Finals 13-14s would swim the meet lineup as done at SR state, with the exception of timed finals 500FR/400IM Ideal situation: Slow the time standards down <i>slightly</i> for 11-12, and moderately for 13-14. Run 13-14 first in two pools, followed by 11-12 in two pools. Ending day with combined 11-14 finals. Senior Senior meet would moved to P/F 400FR & 500IM +Time standards would be slowed slightly to promote a smoother jump from LSC champs to Sectionals
