Group Name Change?	- George G presented at BOD & HOD, recommended a more powerful name for our group than a “forum” - Thoughts on Coaches Advisory Council?	The group will be called the Coaches Advisory Council, led by the Coaches Reps. Meetings would be led by the Senior Coaches rep, or their designee. Group would meet four times a year, once a season. Summer (June) - Discuss Short Course Meets Fall (October) - Winter (January) - Discuss Long Course Meets Spring (April) - Look towards policy review in spring/fall meets
