## **DIVERSITY & INCLUSION CO-CHAIRS**

**Dana Holder** (Incumbent)

I am a native of Pittsburgh, Pennsylvania and a graduate of Taylor Allderdice High School in Pittsburgh, PA. Swimming was a sport I truly enjoyed. I became a lifeguard and immediately started encouraging parents to bring their children to the pool for free swim lessons. Swimming is more than just a sport - it is a survival skill.

I have a Bachelor's Degree in Business Administration ( Marketing Major), Master's in Education ( Elementary certification) and a Master's in Leadership and Supervision – Duquesne University. I will use my marketing and education background to develop and implement programs within our LSC to provide opportunities for children from diverse backgrounds.

I am an advocate for children and have a passion for helping the underprivileged. I am actively recruiting swimmers to participate in the numerous swimming programs offered in the Pittsburgh area. I am the former President of the Pittsburgh Stingrays Swim Team and currently served on the Executive Board of Jack & Jill of America. I also find time to balance her love for education and to increase the awareness of swimming as a competitive sport.

**Hosea Holder** (Incumbent)

I was honored at the Black Heritage Swim meet in 2011 and in 2012 received an award for Diversity Inclusion. The award acknowledged my contributions to the sport of swimming.

I will develop new programs to bring more diversity to our LSC

## **OFFICIALS CHAIR**

### **John Schaefer (Incumbent)**

What are my qualifications for the position: I have been an AMS Official for well over 10 years. I am an N3-level Referee, Starter, CJ & Stroke & Turn. I am familiar with many of the USA Swimming individuals within the Officials organization.

What I bring to the position: I plan to continue the upgrading of our Officials group. I plan to hold workshops to enable better training of the individual officiating positions.

Why am I interested in the position: Officiating is a necessary task at our swim meets and I've witnessed many new officials struggling to operate effectively. We need to grow and mature the individuals who are willing to donate their time. I am also able to assist our more-experienced Officials in their quest for higher certifications and experience.

## **Bob Mermelstein**

What are my qualifications for the position: I have been officiating for a number of years and was the Officials Chair from 2010 through most of 2013. I am certified as a Meet Referee, Deck Referee, Admin Referee, Starter, Chief Judge, Stroke & Turn and Admin Official and am nationally certified at the Deck Referee, Starter, Chief Judge and Stroke & Turn positions.

What I bring to the position: I bring strong technical skills to the position and am not afraid to request rules clarification at the national level. I bring calm and reason to the position of Officials Chair, as well. I would like to pull together a strong Officials Committee to review our approach to officiating and to develop a strong training regimen. When I was Officials Chair, the focus was on growing our numbers as we had lost a number of officials to retirement. We can now comfortably focus on developing our officials through training both in technical capabilities as well as practical applications of the rules.

Why am I interested in the position: While the position of Officials Chair can be thankless, I can honestly say that I enjoyed my tenure as Officials Chair and continuing my strong relationship with officials, coaches, swimmers and their families.
