- a) Specially designed awards will be presented to the top eight finishers in all events.
- b) There will be no team scoring.

ADMISSION:

- a) Adults = \$5.00
- b) Students & Seniors = \$3.00

2024 BCIAA Championship Meet Entry Instructions

This is a step-by-step guide to complete your team's 2024 BCIAA Championship swim meet entries on Swimcloud.

For additional help, **[REFERENCE THE GUIDED STEPS PROVIDED IN THE DISTRICT 3 MEET ENTRY INSTRUCTIONS](#)**

1 - Make sure you have a Swimcloud Coaching Profile

1a - Register as a coach on Swimcloud

You must be a registered coach on Swimcloud to manage your team, roster, and submit entries. ***Swimcloud customer service policy requires that we verify a coach's identity and association with a team.*** This is very important because Swimcloud takes data integrity and security very seriously.

Register here: www.swimcloud.com/register

- 1b - If you already have a Swimcloud coach account, verify your ability to log in If you have forgotten your password, you can reset it yourself. Or, you can always reach out to **support@swimcloud.com** for additional help.

2 - Open the meet on Swimcloud

All BCIAA teams have been pre-assigned to their meet on Swimcloud. This means that the BCIAA meet your team is assigned to will appear in your Swimcloud meet schedule.

Find a meet on your Swimcloud schedule (Additional help be found as part of the district entry information)

3 - Upload your entry file to Swimcloud

Swimcloud accepts Hy-Tek Team Manager or Team Unify entry files. Instead of emailing an entry file, you will upload your entry file to Swimcloud.

Upload entry file to Swimcloud (Additional help be found as part of the district entry information)

4 - Review, edit, print, and submit entries on Swimcloud

Once your entry file is uploaded to Swimcloud, you can review, edit, print, and even upload a new one.

When your entries are complete in Swimcloud, please be sure to "Submit" them. Clicking submit will generate an email from Swimcloud that contains an entry report and proof that you submitted your entries.

Error Message "Entry time not verified in Swimcloud"

Entries				
Number	Event	Seed		
#2	200 Free	2:13.34	Entry time not verified in Swimcloud	

If you do, you will notice an error like this above. This is just a warning to you and the meet admin that the seed time for this entry doesn't conform to the qualifying standards for the meet. You can hover your mouse over the message to get more details. **The entry will still be in the system and will be accepted.**

5 - Other Considerations

Relay Seed Times Not In Swimcloud

Coaches that may have relay times faster than what has been submitted to the Swimcloud database or not is swimcloud. These entries will still be accepted

Non-Swim Schools

Students from a "non-swim school" that achieve and NOT in Swimcloud, must proof that their entry times were conducted in a PIAA meet and emailed to houtho@share.wilsonsd.org before the start of the meet. **Individuals entered must have a coach. As stated on Page 33 in the PIAA Handbook - Section 1, Constitution and Bylaws, they must have clearances and other coaching paperwork requirements. Paper work must be shown to Roy Snyder or Tom Houck at the meet. Any athletes without a coach will have to be scratched.**

That's It - Good Luck

If you have any questions, please email support@swimcloud.com or houtho@share.wilsonsd.org

2024 BCIAA Meet Entries Close on 2/12/24
