

Zach Nerwinski

I am the current Program Director and Head Coach at Diamond State Aquatics, a team I helped start in 2021. Prior to that, I was an Assistant Coach at Delaware Swim Team for eight years. While I primarily work with our 15&Over groups at DSA, I have coached swimmers of all ages in my 12 seasons as a coach in Middle Atlantic.

I currently sit on the Middle Atlantic Senior Committee and was previously on the Middle Atlantic Age Group Committee. I also sit on the USA Swimming Club Development Committee.

I grew up swimming summer league, high school, and club in Delaware, and went on to swim collegiately at the University of Delaware.
