RECORDS / TOP TEN

ATHLETES: *Alessandra Abeijon, Senior Athlete Rep*

"I have been preparing for a leadership summit and intend to send out information about it in the coming weeks. I created a slideshow presentation with activities to learn more about leadership, swimming governance, and Diversity, Equity, and Inclusion (DEI) in swimming. I have also been meeting with the athletes' committee to talk about plans and potential events for this upcoming year. We have mentioned ideas similar to a movie night, where the film being shown is related to athletes in sports. We are trying to get more athletes interested in the committee and show the importance of being involved."

RECORDS/TOP TEN: *Stephanie Crofton*

We got all the records SCY / LCM updated in the old swims system. Working on 2022 Season to update our website. Waiting to see what happens with SWIMS3.0 and records
