SAFE SPORT CLUB RECOGNITION

TRAINING OPPORTUNITIES

USA Swimming encourages member clubs to utilize time away from practice and competition to complete the requirements of the USA Swimming Safe Sport Club Recognition program.

The Safe Sport Club Recognition program allows a USA Swimming member club to demonstrate its commitment to creating a healthy and positive environment free from abuse for all its members through the development and implementation of club governance measures, Safe Sport policies and reporting mechanisms, Safe Sport best practices and training to athletes and parents.

This resource is intended to provide guidance on the various remote Safe Sport Club Recognition training options available to athletes coaches, and parents.

There are zoom training dates listed on the USA Swimming website from now until the end of the year.

Please feel free to reach out to me if you have any questions about the Safe Sport Club Recognition program.
