2022 USA Swimming Workshop: Coach Certification Program

An overview of new Coach Certification Program was introduced. There will be certifications for coaches as well as continuing education units. (CEU) It will be broken down to core, age group, senior, and head coach which will be replacing the Education 101 and 201 courses.

The American Development Model (ADM) will be used for swimmers. There will be three level: Connection Skills - 6 Levels, Confidence Progression - 6 Levels, Character Development 6 Levels

Athletes would fall within each of the 6 levels and as coaches you would be looking to progress the athletes to the next level. Tailoring goals to meet athletes' goals.

There will also be an area for coach wellness with lessons in support networks and stress management.
