Athletes Committee Report

The Athletes' Committee has been working towards planning another event for New Jersey Swimming. We have some plans such as a Diversity, Equity, and Inclusion presentation from Leland Brown's team, a "movie night" event, or even bringing back a SwimJitsu-like obstacle course.

I have been talking to Leland about the DEI Presentation and we are working out dates, time, and content for the presentation. Where it stands, because of championship season, it looks like the presentation will be in April.
