

## NJ Board of Directors – Age Group Vice Chair

9/08/2023

---

Technical Planning committee meeting was very successful. Thank you to all who participated.

The Proposed SC Time Standards will be looked at again by David White and Jon Siegel and will be reviewed by Tech Planning at their next meeting.

LC Time Standards will be formatted after finalizing the championship schedule for LC 2024 Season

Most of the discussion of the meeting was centered around how championship meets should be formatted for long course. Members of the committee and others present agreed the current format doesn't favor our Gold level swimmers who are trying to qualify for higher level meets (Zones, Futures, YNats, etc.) because they're too late in the season. The following schedule was proposed:

- July 12-14
  - 13&O P/F Gold Championships at Rutgers
  - 12&U Timed Finals Silver Championships at Princeton
- July 19-21
  - 13&O P/F Silver Championships at Rutgers
  - 12&U Timed Finals Gold Championships at Princeton
- Date TBD
  - A SCY or SCM Timed Finals Bronze Championships meet

Tech Planning will meet on Saturday, September 30<sup>th</sup> at 12:00pm to vote on SC 2024 Time Standards and an LC 2024 schedule.
