Coaches Certification: Please make sure that the USA Swimming app is downloaded to your phone, and you are able to log into your account. Going forward certifications will be checked at meets. If you have any questions or need help please reach out to me: marlene-bac@juno.com

Quality Coaching Framework Required Course: All returning coaches are required to complete the Quality Coaching Framework course on the Coaching Certification Platform. This is a free, one-time requirement that never expires, which can be taken at any time before the deadline. The course takes approximately 40 minutes.

We encourage you to take this course as early as possible, which can be done through the below steps:

- Log on to your USA Swimming account
- Click “education: in the blue banner
- Click “Course Catalog” under Education
- Click “All courses” on the left hand side
- Scroll down and click “Quality Coaching Framework” and
- Open the course in either English or Spanish to complete

If you are a new coach, there is no change in your course requirements. You must still complete the “Welcome to USA Swimming” and “Quality Coaching Framework” courses prior to being on deck to be considered a USA Swimming member coach in good standing. **Education Section on USA Swimming:** If you have not had a chance to go to the education section you should check it out. It is now listed as: USA Swimming University where the courses you need are found much easier. **Marlene Curtis** Registration Chair NJ Swimming.
