1. There was no bid for the Niagara 14&U Age Group Championships as proposed on March 9-12.

2. There was no bid for the Niagara Championships as proposed on March 23-26.

3. There is an alternate proposal for a single championship meet to be held on the March 9-12 weekend that is listed on the proposed calendar.

4. We have lifted the single host restriction on the weekend of the Niagara Championship Qualifier and gone back to **three**. This change is necessary to accommodate the swimmers that would have been shifted to the split championship meets.

5. Technical Planning is working on finalizing the Regional Meet format (which will be sent to those hosts).

6. The stipends are listed as TBD because there is a pending proposal to eliminate the stipends (both awards and facility) but also eliminate the surcharge for those meets. We have a preliminary breakdown of how that breaks down which I will share when I have cleaned it up. Please email me if you have questions about that. Because this is a 2017 budget item it will not be decided until the Fall HOD meeting.
