Applying for a Sanction:

If your club is interested in hosting a meet during the period of May 1st through August 31st, your Sanction Application, sanction fee, meet packet and a copy of the Meet Director's USA Swimming card must be received by **September 28, 2015**. Forward the documents and club check to the Meet Sanction Chair:

Eric Stimson
1185 Doebler Drive

Before bidding for any meet, please make sure to follow all the guidelines and instructions found in the sanction application (posted on the website). Only submit bids for meets that you are certain that you have the logistical and technical ability to host. Once the calendar is approved, the meet becomes part of the competitive calendar and integral to the overall programmatic direction of the LSC.

Niagara LSC meets are under the guidance of the Technical Planning Committee. Clubs selected to host these meets must agree to run a format designed by the Committee. The meet host does not have the authority to alter any meet details specified by the Technical Planning Committee without prior approval of the Committee.

Clubs bidding for meets on open dates need to be aware that you may have to change your date if something unforeseen occurs, or if there are conflicts with Niagara, Eastern Zone or Speedo Champions series meets within the geographical area of Niagara Swimming.

If you are bidding on more than one open date meet, please prioritize them.

Per Niagara Policies and Procedures 202.2: Up to eight sanctions [two per geographic region: Buffalo, Rochester, Southern Tier and Syracuse] will be permitted on the 'spring-summer' calendar for any given date. No application shall be considered and no sanctions shall be issued for meets proposed to be held on 'closed' dates on which a Niagara LSC meet is scheduled, as designated by the Executive Committee.

When designing your meet formats you must to adhere to the USA Swimming 4 hour rule 205.3 F: "*With the exception of championship meets, the program in all other age group competition shall be planned to allow the events for swimmers 12 years and younger to be completed in 4 hours or less for a timed finals session or in a total of 8 hours or less per day for a preliminaries and finals meet.*" Ensure that your Order of Events and age category detail does not allow swimmers aged 12 or less to swim in more than one session, as this would likely exceed 4 hours.

In order to receive a sanction, the Meet Director must have attended the Meet Director Training on or after 5/3/2014. Attending the training at the October 11, 2015 HOD is acceptable.

Any questions about the bidding process should be directed to sanctions@niagaraswim.org.

Niagara Meets:

Dates in which Niagara designated meets are held are closed to other meets within the LSC. This restriction does not apply to the Super Circuit meets.

Niagara Super Circuit - Open bids accepted.

This Niagara program is a series of long-course meets over a 6-week period. The meets will be single session LCM meets consisting of 8-12 events and lasting less than 4 hours.

The Super Circuit meets are designed for either Saturday or Sunday during the three weekends noted above and on the calendar. Selected meets/hosts will receive a \$1,500 stipend from Niagara Swimming for hosting these meets to assist with facility rental costs. Meet venue will be awarded based on programmatic needs of the LSC.

Niagara Long Course Classic - Open bids accepted.

This meet will be a 3-day championship long course format meet. Prelims/Time Trials/Finals split into 3 sessions per day. An 8 lane 50-meter facility with separate warm-up/warm-down pool required. The meet host will receive a \$2,000 stipend from Niagara Swimming for hosting this meet to assist with facility rental costs. Technical Planning will work with meet host to implement format.

Niagara Long Course Championships - Open bids accepted.

This meet will be a 3-day championship long course format meet. Prelims/Finals split into 2-3 session per day. A 6-8 (preferred) lane 50-meter facility. The meet host will receive a \$2,000 stipend from Niagara Swimming for hosting this meet to assist with facility rental costs. Technical Planning will work with meet host to implement format.

Niagara Open Water Championship - Open bids accepted.

This is a single day meet. We are linking this meet to the weekend of the Niagara LC Championship to help promote attendance to this meet. Although there is a tie-in, there are no restrictions as to where the two meets can be held (one meet may be in Buffalo, the other in Syracuse). USA Swimming has initiated rigid requirements for hosting Open Water meets. Host clubs submitting bids need to ensure they have thoroughly reviewed the requirements for hosting the event and include in their bid package confirmation that they will be able to meet the requirements.

Niagara Sizzler - Open bids accepted.

This is a 2-day short course format meet to be held in any 6+ lane facility. Format and event list to be determined at a later time. Technical Planning will work with meet host to implement the format.
