

Safe Sport: Meet Marshals and Locker Room Sweeps

Meet Marshal & MAAPP Requirements:

- USA Swimming requires at least 1 Male & 1 Female Meet Marshal on deck for ALL meets.
- MAAPP requires “sweeps” for Locker Rooms during Meets.
 - The SS/Safety Committee recommends that clubs keep a log indicating when sweeps are completed (not publicly posted). This will help reduce questions about when an occurrence may have happened. Sweeps should be kept random when possible.
- Locker room sweeps require two-deep coverage. Clubs should plan ahead of time whom the people performing the sweeps will be. Meet staff (Meet Ref, Meet Director, etc.) should be aware of those names in the event they are needed.

If you have any questions about this Safe Sport, Meet Marshal, or Locker Sweep requirement, please contact our **Safety Chair**, at safety@niagaraswim.org.

Please ensure you fill out the information below. For Reportable Events please use the next page to document the details.
