

MEET ENTRY FEES POLICY

Effective 04/01/2023

FAST families are responsible for all entry fees associated with meets in which their athletes are entered. Please review the entry fees in the meet information packet prior to committing your athlete for competition.

FAST will process meet fee charges through Team Unify up to 7 days prior to or 7 days following the competition.

There will be no refunds for meets that are rained out or cancelled for any reason. If your athlete misses a meet for any reason, you are still responsible for the meet fees.

FAST will cover relay entry fees. FAST Families will be responsible for all other fees associated with meets.

FAST will charge a \$5.00 travel charge per swimmer for all non-FAST hosted meets. This will help offset the travel costs of FAST staff members.
