Termination Form Policies

- FAST must receive written notice of this drop form.
- The termination notice must be given to the FAST Business Manager (not to a coach, not to the front desk, not to another FAST facility member). The Business Manager has set business hours and can also be contacted at Business_Manager@floridafast.com.
- Phone notifications and/or email without a Termination Form are not valid forms of notification.
- The termination form must be submitted at least one month in advance.
- The termination date must be the last day of a month.
- If the termination form is submitted less than one month in advance, your termination date will be pushed back a month to allow for the one-month advanced notice. For example, if you submit your termination form on January 1st, you will pay dues for January and February, and your termination date will be February 28th.
- Members who have chosen to pay their dues in full for the entire year must also terminate with a one-month advanced notice.

Please note that it is your responsibility to follow up with the Business Manager if you do not receive a confirmation that your termination form was not received.
