Both campuses never closed shop during the holiday period. While our Boca Raton campus ran a Holiday Swim Camp, our Fort Lauderdale campus ran an intense training program.

Congratulations to all those that stayed and trained hard, ready to step up to the practice sets that Coach Mariusz and Coach David set each day. Over 150,000 meters of swimming was accomplished during the 10 days of training.

Along with our own training, both pools were in constant use from 6am to 8pm every day through the end of January with teams coming in from around the world for their travel training trips.

Green vs White Intrasquad Meet at Fort Lauderdale, January 14

Congratulations to the White Team for taking home the trophy for 2012. It was extremely close (4 points) as the Green team was strong in the swim races earning top honors, but were beat out overall when the diving points were added into the overall results.

Some note worthy mentions are to our first timers who participated in their first meet. Congratulations to the brother and sister duo, Clarice and Chandler DeMayo, Joao Vitor Pereira, and Michelle Lapidot.

We don't need to go into details about each event, as we did not have any officials and the results don't count for USA Swimming, but the morning was enjoyed by all everyone.

Thank you to those parents who volunteered with timing, diving table and making sure our teams had snacks and drinks.

Next year we will have to add a "parent table" with coffee and tea and pray that we have a warmer morning.
