

2024 USA SWIMMING REGISTRATION

Hello Swim Fort Lauderdale Parents,

You're receiving this email because it's time to register or renew your child with USA Swimming!

If you are new to SFTL and USA Swimming, please create your NEW USA Swimming account using this link: <https://hub.usaswimming.org/landing>

Your USA Swimming account is separate from your SFTL Team Account.

Please note that when setting up this account, please enter the account holder information, NOT the child's. You will add your children to your parent account later in the process. DO NOT attempt to "add a family member" either. This option only works if your child is already in the USA Swimming database.

For new AND returning members, please use the link below to log in and pay for your membership(s).

The team code is embedded in the "Register for USA Swimming Now" button below. You CAN NOT access the registration portal without the link in this email. Make sure that you have your username/password ready BEFORE clicking the red button.

Please choose the "Premium Membership" and let us know if you have any questions!

If you have already purchased or renewed your child's membership, please let me (Coach Mike) know directly and I will sync your accounts manually so that you stop receiving these emails :)
