

MULTI-CHILD DISCOUNT INFORMATION

Effective October 1, 2021, all families with more than one child participating with Swim Fort Lauderdale that live within the legal boundaries of the City of Fort Lauderdale, a multi-child discount will be applied to their household account each month when billing is completed.

Please review the following information pertaining to the SFTL Multi-child Discount Program:

- The multi-child discount **ONLY** applies to Fort Lauderdale residents.
- SFTL administrative staff utilize the GIS system for verifying actual residency within the official boundaries of the City of Fort Lauderdale when completing new member registrations.
- Proof of residency **MUST** be provided in the form of a valid driver's license, or current utility bill, or copy of a current housing lease agreement (NO EXCEPTIONS), when completing new member registrations.
- Current SFTL families (residing within the official city boundaries of Fort Lauderdale), that have multiple children registered with the program, the RecTrac billing system will automatically apply the discount associated with monthly workout fees – there is no action required in order to receive the associated discount.
- The multi-child discount will remain in effect as long as the family has more than one child **ACTIVELY** participating with Swim Fort Lauderdale.
- The multi-child discount is **NOT** a multi-participant discount, and **does not apply** to parents of a child/children that participate with the Swim Fort Lauderdale Master's program, nor does the discount apply to families with children enrolled in any other City of Fort Lauderdale youth program.

Please review the following information that references how the discount is applied:

- The monthly fee for the child participating in the most advance workout group is not discounted, and as such is charged at full price
- The monthly fee for second child participating in the next lower level workout group, is discounted at 50%
- The monthly fee for the third child (if there is a third child), plus any additional children participating in the next lower level workout group, is discounted at 75%

Please review the following example for a family with three children participating with SFTL:

1st athlete for cart = SFTL Senior Silver = \$130, full price

2nd athlete for cart = SFTL AG Blue = \$60, 50% off full price of \$120/month

3rd athlete for cart = SFTL Rising Stars = \$22.50, 75% off full price of \$90/month

***Any additional children past the 3rd child (that are participating in the next lower level workout group), will be discounted 75% off the full price, as stated above**
